

Figure H

**POSITION OF SENTENCE WITHIN SENTENCING RANGE FOR  
SELECTED OFFENSES<sup>1</sup>**

**Fiscal Year 2004,  
Pre-Blakely (October 1, 2003, through June 24, 2004)**

<sup>1</sup>Only offense types with over 250 cases were included in this figure. Departure cases are not included. See Table 1 for all offenses. An additional 1,505 cases were excluded from this figure due to the case having a completely truncated guideline range (i.e., the statutory minimum or maximum was completely outside of the guideline range causing a sentencing point instead of a true range).
