<sup>1</sup>Of the 70,258 cases, the Commission received complete guideline application information for 58,463. Of these, 1,713 achieved career offender status and 461 achieved armed career offender status. Due to missing primary offense category, zero of the career offender cases and zero of the armed career criminal cases were excluded from the respective calculations. Descriptions of variables used in this table are provided in Appendix A. A description of career offender and armed career criminal adjustments can be found in USSG §4B1.1 and §4B1.4.
