<sup>&</sup>lt;sup>1</sup>Of the 44 cases that were sentenced pursuant to Chapter Eight, 21 had the fine guidelines applied. The remaining 23 cases had fine guidelines application data missing or inapplicable due to guideline provisions such as a "preliminary determination of inability to pay fine" (§8C2.2). The total for each factor may add up to less than the overall total due to missing information for that specific variable. Descriptions of variables used in this table are provided in Appendix A. A description of Chapter Eight culpability factors can be found in USSG §8C2.5.
