

Figure H

**POSITION OF SENTENCE WITHIN SENTENCING RANGE FOR  
SELECTED OFFENSES<sup>1</sup>**

**Fiscal Year 2005,  
Post-Booker (January 12, 2005, through September 30, 2005)**

<sup>1</sup>Only offense types with over 250 cases were included in this figure. Departure cases are not included. See Table 29 for all offenses. An additional 1,493 cases were excluded from this figure due to the case having a completely truncated guideline range (i.e., the statutory minimum or maximum was completely outside of the guideline range causing a sentencing point instead of a true range).
