Total number of guidelines applied: **84,398**

Number of cases with at least one guideline applied: **75,867**

¹ Of the 84,173 cases, 8,306 were excluded due to missing guideline applied. The total for any guideline can exceed that for primary guideline because several guidelines may be applied in a case, but only one primary guideline. Descriptions of variables used in this table are provided in Appendix A.

² In 886 cases, the defendant was convicted of one or more counts of violating 18 U.S.C. § 1028A. By statute, the punishment for this crime must be served consecutively to any other punishment, therefore, in these 886 cases the conviction for this crime did not affect the guideline calculation for the underlying offense.

³ In 2,242 cases, the defendant was convicted of one or more counts of violating 18 U.S.C. § 924(c). By statute, the punishment for this crime must be served consecutively to any other punishment, therefore, in these 2,242 cases the conviction for this crime did not affect the guideline calculation for the underlying offense.
