	Male	1,928	83.0	1,032	83.4	296	82.0	510	84.9	90	73.8
	Female	394	17.0	206	16.6	65	18.0	91	15.1	32	26.2

¹ Of the 64,142 cases, 478 were excluded due to one or more of the following reasons: missing information on offender's age (29), missing information on offender's race (476), or information on offender's gender (44). Descriptions of variables used in this table are provided in Appendix A.

² Of the 1,379 offenders under 21, none involved an offender under the age of 18 at the time of sentencing.
