Of the 70,258 guideline cases, 481 cases with no analogous guidelines were excluded from the table. Of the remaining 69,777 cases, 4,606 were excluded due to missing departure information. Districts for which departure information is missing in five percent or more of the cases received included: Southern California (32.3%), Central California (29.6%), Southern Georgia (27.8%), Eastern Virginia (24.4%), Maryland (19.8%), Middle Georgia (16.6%), Western Washington (15.0%), Southern New York (9.9%), Eastern New York (9.5%), Southern Florida (8.8%), Colorado (8.2%), Oregon (7.3%), Northern California (7.2%), Western Kentucky (7.2%), Wyoming (7.0%), Northern New York (6.3%), Utah (5.8%), Northern Georgia (5.7%), Virgin Islands (5.3%), Eastern California (5.2%), and Eastern North Carolina (5.1%).

This data was collected prior to the issuance of AO Form 245B, Revision 12/03, which now provides specific entries for the sentencing court to indicate whether a departure was initiated by one of the parties. As a result, the Commission could not definitively determine the attribution for every case. However, based on a review of the available sentencing documentation by USSC legal staff the Commission believes that the overwhelming majority of the government initiated departures listed in this table are properly categorized. For a list of the reasons used in the category see Table 25 in the 2003 Sourcebook of Federal Sentencing Statistics.

Of the 70,258 guideline cases, 5,268 cases were excluded due to one or more of the following reasons: no analogous guidelines (481), missing or indeterminable departure information (4,606) or missing primary offense category (578).

Of the 2,040 guideline cases from the District of New Mexico, 84 cases were excluded due to one or more of the following reasons: no analogous guidelines (4), missing or indeterminable departure information (80) or missing primary offense category (5).

This data was collected prior to the issuance of AO Form 245B, Revision 12/03, which now provides specific entries for the sentencing court to indicate whether a departure was initiated by one of the parties. As a result, the Commission could not definitively determine the attribution for every case. However, based on a review of the available sentencing documentation by USSC legal staff the Commission believes that the overwhelming majority of the government initiated departures listed in this table are properly categorized. For a list of the reasons used in the category see Table 25 in the 2003 Sourcebook of Federal Sentencing Statistics.
