The Honorable Ricardo H. Hinojosa  
Chair, United States Sentencing Commission  
One Columbus Circle, N.E.  
Suite 2-500, South Lobby  
Washington, D.C. 20002-8002

Dear Judge Hinojosa:

I will be short and to the point.

I urge the Commission to make the "crack" amendments to the Guidelines retroactive. Even though that will mean more work for judges, every conception of justice of which I am aware justifies such an action.

Thanks for considering my views. And, thanks for your continued good work. I truly appreciate the service that you and the other Commissioners have rendered to our Nation.

Sincerely,

Richard G. Kopf  
United States District Judge
