Re: Crack Cocaine Guideline

Dear Judge Hinojosa:

I write to encourage the Sentencing Commission to make its crack cocaine guideline reduction retroactive pursuant to U.S.S.G. Section 1B1.10. In my humble opinion, the crack/powder cocaine sentencing disparity is so egregious as to warrant retroactive treatment. Any additional judicial labor resulting therefrom will be more than offset by the restoration of justice in this aspect of our sentencing policy.

Sincerely,

Gregory A. Presnell
