

Honorable William H Pryor Jr.
Acting Chair
United States Sentencing Commission
One Columbus Circle, N.E
Suite 2-500, South Lobby
Washington D.C. 20002-802

Dear Judge Pryor

My name is Malquondra Williams and I am an interested person expressing what I believe the Sentencing Commission should address during this amendment cycle which is ending May 1, 2019.

I would like to express the fact that I was disappointed when the Commission did not consider making the Career Offender Guidelines Retroactive to reduce sentences for offenders incarcerated for priors that no longer qualify for Career Offender enhancements. My father [REDACTED] was sentenced as a Career Offender [REDACTED] 2015 to "151 month's" based on the "Residual Clause", only to have the Sentencing Commission Amend and change those Guidelines in November of 2015. That Career Offender sentence increased his sentence by 6 additional years from 77-96 months to 151 to 188 months respectively. I am asking that you take up the issue of making the Career Offender Guidelines Retroactive, Please.

Thank You for your work and for considering my opinion.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Maty", with a long horizontal stroke extending to the right.
