CAUTION: This email originated from outside the organization. DO NOT click links or open attachments unless you recognize the sender and know the content is safe.

I wholeheartedly endorse the list or proposed policy priorities. In particular, I would like to see an emphasis placed on propositions: 1) looking at possible amendments to Reduction in Term of Imprisonment, 4) resolving circuit splits, 9) looking to prohibit acquitted conduct sentencing, and 12) looking at implementing guidelines regarding alternatives-to-incarceration programs.

Thank you,

Gunner Briscoe
