2002 PROPOSED AMENDMENTS TO THE SENTENCING GUIDELINES, POLICY STATEMENTS, AND OFFICIAL COMMENTARY

1. Corporate Fraud

Synopsis of Proposed Amendment: *This proposed amendment implements the Sarbanes-Oxley Act of 2002, Pub. L. 107–204 (the “Act”). The Act requires the Commission to promulgate guideline amendments under emergency amendment authority not later than January 25, 2003. In addition to several general directives regarding fraud and obstruction of justice offenses, the Act also sets forth specific directives that require the Commission to promulgate amendments addressing, among other things, officers and directors of publicly traded companies who commit fraud and related offenses, offenses that endanger the solvency or financial security of a substantial number of victims, fraud offenses that involve significantly greater than 50 victims, and obstruction of justice offenses that involve the destruction of evidence.*

First, the proposed amendment sets forth two options for amending §2B1.1 (Larceny, Embezzlement, and Other Forms of Theft; Offenses Involving Stolen Property; Property Damage or Destruction; Fraud and Deceit; Forgery; Offenses Involving Altered or Counterfeit Instruments Other than Counterfeit Bearer Obligations of the United States) to address the directive contained in section 1104 of the Act pertaining to fraud offenses involving significantly greater than 50 victims. Option One expands the victims table in §2B1.1(b)(2). Currently, subsection (b)(2) provides a two level enhancement if the offense involved more than 10, but less than 50, victims or was committed through mass-marketing, or a four level enhancement if the offense involved 50 or more victims. Option One provides an additional two levels, for a total of six levels, if the offense involved 250 victims or more. Alternatively, Option Two provides an encouraged upward departure provision if the offense involved substantially more than 50 victims.

Second, the proposed amendment modifies subsection §2B1.1(b)(12)(B) to address directives contained in sections 805 and 1104 of the Act pertaining to securities and accounting fraud offenses and fraud offenses that endanger the solvency or financial security of a substantial number of victims. Subsection (b)(12)(B) currently provides a four level enhancement and a minimum offense level of 24 if the offense substantially jeopardized the safety and soundness of a financial institution. The proposed amendment expands the scope of this enhancement to apply to offenses that substantially endanger the solvency or financial security of a publicly traded company. The enhancement does not require the court to determine whether the offense endangered the solvency or financial security of each individual victim. Such a determination likely would unduly complicate the sentencing process. Instead the enhancement is based on a presumption that if the offense conduct endangered the solvency or financial security of a publicly traded company, the offense similarly affected a substantial number of individual victims. The proposed amendment also contains options for extending the scope of the enhancement to include other organizations with a substantial number of employees. This extension might be appropriate because offenses that endanger other large organizations may, like offenses that endanger publicly traded companies, affect the solvency or financial security of a substantial number of victims.

The corresponding application note to the new enhancement sets forth situations in which an offense shall be considered to have endangered the solvency or financial security of a publicly traded company. The note, which is modeled after an analogous note for the financial institutions prong of the enhancement, includes references to insolvency, filing for bankruptcy, substantially reducing the value of the company’s stock, and substantially reducing the company’s workforce among the list of situations that would trigger application of the new enhancement.

An issue for comment follows the proposed amendment regarding whether the list of situations should be a non-exhaustive list that the court may consider in determining whether to apply the enhancement.

Third, the proposed amendment addresses the directive contained in section 1104 of the Act pertaining to fraud offenses committed by officers or directors of publicly traded corporations by providing a new two level enhancement at §2B1.1(b)(13). This enhancement would apply if the offense involved a violation of any provision of securities law and, at the time of the offense, the defendant was an officer or director of a publicly traded company. This enhancement would apply regardless of whether the defendant was convicted under a specific securities fraud statute (e.g., 18 U.S.C. § 1348, a new offense created by the Act specifically prohibiting securities fraud) or under a general fraud statute (e.g., 18 U.S.C. § 1341, prohibiting wire fraud), provided that the offense involved a violation of securities law. The corresponding application note provides that in cases in which the new enhancement applies, the current enhancement for abuse of position of trust at §3B1.3 (Abuse of Position of Trust or Use of Special Skill) does not apply. Although the directive only specifically addresses officers and directors of publicly traded companies, the proposed amendment provides an option to include registered brokers or dealers because they also are subject to certain requirements under securities law and as such may be considered to hold a heightened position of trust to investors.

Pursuant to the corresponding application note, "securities law" (i) means 18 U.S.C. §§ 1348, 1350, and the provisions of law referred to in section 3(a)(47) of the Securities Exchange Act of 1934 (15 U.S.C. § 78c(a)(47)); and (ii) includes the rules, regulations, and orders issued by the Securities and Exchange Commission pursuant to the provisions of law referred to in section 3(a)(47).

The proposed amendment also includes an issue for comment regarding whether, in addition to the two level enhancement, a minimum offense level should be provided for such offenses committed by officers and directors of publicly traded companies. The issue for comment also requests comment regarding whether the scope of the enhancement should be broadened to apply to an officer or director of other large organizations.

Additional issues for comment are included regarding whether other enhancements, possibly to apply cumulatively, should be added to §2B1.1 in response to the Act, as well as whether further guidance should be provided regarding the calculation of loss in complex white collar offenses.

Fourth, the proposed amendment provides an option for expanding the loss table at §2B1.1(b)(1). Currently, the loss table provides sentencing enhancements in two level increments up to a maximum of 26 levels for offenses in which the loss exceeded \$100,000,000. The proposed amendment provides two additional levels to the table; an increase of 28 levels for offenses in which the loss exceeded \$200,000,000, and an increase of 30 levels for offenses in which the loss exceeded \$400,000,000. This proposed addition to the loss table would address congressional concern expressed in the Act regarding particularly extensive and serious fraud offenses and would more fully effectuate increases in statutory maximum penalties, for example, the increase in the statutory maximum penalties for wire fraud and mail fraud offenses from five to 20 years (section 903 of the Act). An issue for comment follows the proposed amendment regarding whether more extensive modifications to the loss table should be made in response to the Act, particularly for offenses involving significantly lower loss amounts.

Fifth, the proposed amendment implements the directives pertaining to obstruction of justice offenses contained in sections 805 and 1104 of the Act. The proposed amendment adds a new two level enhancement to §2J1.2 (Obstruction of Justice) that applies if the offense (i) involved the destruction, alteration, or fabrication of a substantial amount of evidence; (ii) involved the selection of especially probative or essential evidence to destroy or alter; or (iii) was otherwise extensive in scope, planning, or preparation. An issue for comment follows the proposed amendment regarding whether the base offense level in §2J1.2 should be increased and whether an enhancement for the use of sophisticated means should be included in §2J1.2. There is an additional issue for comment regarding whether modifications also should be made to the guideline covering perjury offenses, §2J1.3 (Perjury or Subornation of Perjury; Bribery of Witness) in light

of the proposed amendment to the obstruction of justice guideline, in order to maintain sentencing proportionality between the two types of offenses.

Finally, the proposed amendment addresses new offenses created by the Act. Section 1520 of title 18, United States Code, is referenced to §2E5.3 (False Statements and Concealment of Facts in Relation to Documents Required by the Employee Retirement Income Security Act; Failure to Maintain and Falsification of Records Required by the Labor Management Reporting and Disclosure Act). This offense provides a statutory maximum of 10 years' imprisonment if the defendant certifies the publicly traded company's periodic financial report knowing that the statement does not comply with all requirements of the Securities and Exchange Commission (and 20 years' imprisonment if that certification is done willfully). The proposed amendment also expands the current cross reference in §2E5.3(a)(2) specifically to cover fraud and obstruction of justice offenses. Accordingly, if a defendant who is convicted under 18 U.S.C. § 1520 certified the financial report of a publicly traded company in order to facilitate a fraud, the proposed change to the cross reference provision would require the court to apply §2B1.1 instead of §2E5.3. Other new offenses are proposed to be included in Appendix A (Statutory Index) as well as the statutory provisions of the relevant guidelines.

Proposed Amendment:

(ii) Application.—An offense shall be considered to have substantially endangered the solvency or financial security of an organization that was a publicly traded company[or that had more than [200][1000][5000] employees] if, as a consequence of the offense, the organization (I) became insolvent; (II) filed for bankruptcy under Chapters 7, 11, or 13 of the Bankruptcy Code (title 11 of the United States Code); (III) suffered a substantial reduction in the value of [its equity securities][a class of securities registered under section 12 of the Securities Exchange Act of 1934 (15 U.S.C. § 78l)] or the value of its employee retirement accounts; (IV) substantially reduced its workforce; (V) substantially reduced its

Issues for Comment:

1. *The Sarbanes-Oxley Act of 2002 requires the Commission to consider providing an enhancement for officers or directors of publicly traded companies who commit fraud and related offenses. The Act also requires the Commission to ensure that the enhancements relating to obstruction of justice are adequate in cases in which the offense involved an abuse of position of trust or use of a special skill. In response to these directives, the proposed amendment provides an enhancement in §2B1.1 (Larceny, Embezzlement, and Other Forms of Theft; Offenses Involving Stolen Property; Property Damage or Destruction; Fraud and Deceit; Forgery; Offenses Involving Altered or Counterfeit Instruments Other than Counterfeit Bearer Obligations of the United States) specifically targeting officers and directors who violate securities law, including violations of the rules and regulations issues by the Securities and Exchange Commission. The Commission requests comment regarding whether it also should provide a minimum offense level for this proposed enhancement, and if so, what an appropriate offense level would be. Additionally, should this proposed enhancement apply to cases in which an officer or director of a large, non-public organization violates any provision of security law? Such a case may cause similar harm to the organization, its shareholders, and employees even though the organization is not a publicly traded company and the offense typically would not undermine public confidence in the securities market. The Commission further requests comment regarding whether, as an alternative to the proposed enhancement, it should provide a series of enhancements, possibly to apply cumulatively, to address separate aspects of these directives. Specifically, should the Commission provide enhancements in §2B1.1 that would apply if (A) the defendant used his or her position as officer or director of a publicly traded company in furtherance of a fraud or some other corporate crime; (B) the officer or director of a publicly traded company worked to defeat or compromise internal corporate controls, independent audits, or the oversight by a corporate governing board; or (C) an officer or director derived more than \$1,000,000 in personal gain from unlawful activity? If so, should the Commission also provide minimum offense levels for any such enhancements? What would be an appropriate minimum offense level for such enhancements?*
2. *The proposed amendment expands the scope of §2B1.1(b)(12)(B) to apply to offenses that substantially endanger the solvency or financial security of a publicly traded company. This proposed enhancement is in response to directives pertaining to securities and accounting fraud offenses and fraud offenses that endanger the solvency or financial security of a substantial number of victims. The proposed corresponding application note sets forth instances of when an offense shall be considered to have endangered the solvency or financial security of a publicly traded company. The note includes references to insolvency, filing for bankruptcy, substantially reducing the value of the company's stock, and substantially reducing the company's workforce, any one of which would require application of the new enhancement upon a finding of its presence. The Commission requests comment regarding whether the note alternatively should provide that the references are a non-*

exhaustive list that the court may consider in determining whether to apply §2B1.1(b)(12)(B). The Commission also requests comment regarding whether additional factors should be included in the list of instances that could trigger application of the enhancement.

3. *The Commission requests comment regarding whether the loss definition in §2B1.1 should be amended to provide further guidance as to how to calculate loss in complex white collar crime cases. For example, should loss in such cases be based on a change in the market capitalization of a corporation, a change in the value of corporate assets, or some other economic effect?*
4. *The current loss table in §2B1.1 provides sentencing enhancements in two level increments up to a maximum of 26 levels for offenses in which the loss exceeded \$100,000,000. The proposed amendment provides two additional increases to the table: an enhancement of 28 levels for offenses in which the loss exceeded \$200,000,000, and an enhancement of 30 levels for offenses in which the loss exceeded \$400,000,000. This proposed addition to the loss table would address congressional concern expressed in sections 805, 905, and 1104 of the Sarbanes-Oxley Act regarding particularly extensive and serious fraud offenses and would more fully effectuate increases in statutory maximum penalties, for example, the increase in the statutory maximum penalties for wire fraud and mail fraud offenses from five to 20 years (section 903 of the Act). Should the Commission modify the loss table more extensively to provide increased offenses levels at lower loss amounts? Commission data indicate that approximately one-third of fraud offenses involve loss amounts less than \$20,000, approximately one-third involve loss amounts between \$20,000 and \$120,000, and approximately one-third involve loss amounts greater than \$120,000. For instance, should the Commission modify the loss table to result in a Zone D offense level (assuming a two level reduction for acceptance of responsibility) for offenses involving more than \$50,000? Similarly, should the Commission modify the loss table to restrict Zone A offense levels (which provide sentences of straight probation) to offenses involving loss amounts of \$10,000 or less (assuming a two level reduction for acceptance of responsibility)? If any changes are made to the loss table in §2B1.1, should the Commission also make similar changes to the tax loss table in §2T4.1 (Tax Table) in order to maintain the long standing relationship between the two loss tables? In addition, the Commission requests comment regarding whether the base offense level in §2B1.1 should be increased from level 6.*
5. *In response to the directives in the Sarbanes-Oxley Act pertaining to obstruction of justice offenses, the proposed amendment sets forth a new two level enhancement in §2J1.2 (Obstruction of Justice) that applies if the offense (A) involved the destruction, alteration, or fabrication of a substantial amount of evidence; (B) involved the selection of especially probative or essential evidence to destroy or alter; or (C) was otherwise extensive in scope, planning, or preparation. The Commission requests comment regarding whether, in addition to this enhancement, it should provide an enhancement that is based on the number of participants recruited to commit the obstruction of justice offense. Additionally, should the Commission provide an enhancement for obstruction of justice offenses committed through the use of sophisticated means, perhaps in lieu of the proposed subdivision (C) prong, and if so, what characteristics would be common to such an offense? Finally, given congressional concern with obstruction of justice offenses, should the Commission increase the base offense level in §2J1.2 from level 12 to level 14?*
6. *Part Three of the proposed amendment addresses the emergency amendment directives in the Sarbanes-Oxley Act pertaining to the Chapter Two guidelines for obstruction of justice offenses. Specifically, the proposed amendment would provide a new enhancement in §2J1.2 addressing the directive relating to the destruction of evidence and offenses that are otherwise extensive in scope, planning, or preparation. Currently, defendants sentenced under §2J1.2 or §2J1.3 (Perjury or Subornation of Perjury; Bribery of Witness) are sentenced proportionately because these guidelines have the same base offense level and provide substantially parallel enhancements. The Commission*

requests comment regarding whether, in light of the proposed changes to §2J1.2, modifications also should be made to §2J1.3 in order to maintain proportionate sentencing between these two guidelines. For example, should the Commission increase the base offense level in §2J1.3 or increase the magnitude of the enhancement of the current specific offense characteristics? Any such amendment to §2J1.3 would be made when the Commission re-promulgates as a permanent amendment any emergency amendment made to §2J1.2.

2. Campaign Finance

Synopsis of Proposed Amendment: *This proposed amendment responds to the Bipartisan Campaign Reform Act of 2002, Pub. L. 107-155 (the "Act"). The most pertinent provision of the Act, for the Commission, is section 314, which gives the Commission emergency authority to promulgate amendments to implement the Act not later than February 3, 2003. Specifically, section 314(a) and (b) state:*

"(a) IN GENERAL.—The United States Sentencing Commission shall—

(1) promulgate a guideline, or amend an existing guideline under section 994 of title 28, United States Code, in accordance with paragraph (2), for penalties for violations of the Federal Campaign Act of 1971 and related election laws; and

(2) submit to Congress an explanation of any guidelines promulgated under paragraph (1) and any legislative or administrative recommendations regarding enforcement of the Federal Campaign Act of 1971 and related election laws.

(b) CONSIDERATIONS.—The Commission shall provide guidelines under subsection (a) taking into account the following considerations:

(1) Ensure that the sentencing guidelines and policy statements reflect the serious nature of such violations and the need for aggressive and appropriate law enforcement action to prevent such violations.

(2) Provide a sentencing enhancement for any person convicted of such violation if such violations involves—

(A) a contribution, donation, or expenditure from a foreign source;

(B) a large number of illegal transactions;

(C) a large aggregate amount of illegal contributions, donations, or expenditures;

(D) the receipt or disbursement of governmental funds; and

(E) an intent to achieve a benefit from the Federal Government.

(3) Assure reasonable consistency with other relevant directives and guidelines of the Commission.

(4) Account for aggravating or mitigating circumstances that might justify exceptions, including circumstances for which the sentencing guidelines currently provide sentencing enhancements.

(5) Assure the guidelines adequately meet the purposes of sentencing under section 3553(a)(2) of title 18, United States Code."

Section 309(d)(1) of the FECA sets forth the Act's criminal penalty provisions as follows:

(1) Violations of the FECA as penalized under section 309(d)(1)(A)

Section 309(d)(1)(A) is the main penalty provision of the FECA (2 U.S.C. §437g(d)(1)(A)). As amended by section 312 of the Act, it states that "[a]ny person who knowingly and willfully commits a violation of any provision of this Act which involves the making, receiving, or reporting of any contribution, donation, or expenditure (i) aggregating \$25,000 or more during a calendar year shall be fined under title 18, United States Code, or imprisoned for not more than 5 years, or both; or (ii) aggregating \$2,000 or more (but less than \$25,000) during a calendar year shall be fined under such title, imprisoned for not more than 1 year, or both." (Before amendment by the Act, section 309(d)(1)(A) of the FECA provided for a maximum term of imprisonment of one year, or a fine, or both.)

The major violations of the FECA to which section 309(d)(1)(A) applies are:

(A) The Ban on Soft Money

Section 323 of the FECA (2 U.S.C. § 441i) prohibits national political party committees (including senatorial and congressional campaign committees) from accepting soft money from any person (including an individual) after November 6, 2002.

(B) Restrictions on Hard Money Contributions

The FECA limits the amount of hard money that may be contributed to a Federal campaign. The FECA limits the amount of hard money that persons other than multicandidate political committees may contribute as follows:

- (i) The contribution to a candidate for Federal office may not exceed \$2,000 per election. (The limit used to be \$1,000; see section 315(a)(1)(A) of the FECA, as amended by section 307(a)(1) of the Act.)*
- (ii) The contribution to a national party committee may not exceed \$25,000 per calendar year. (The limit used to be \$20,000; see section 315(a)(1)(B) of the FECA, as amended by section 307(a)(2) of the Act.)*
- (iii) The contribution to any other political committee, including a political action committee (PAC), may not exceed \$5,000 per calendar year. (No change in the former law; see section 315(a)(1)(C) of the FECA.)*
- (iv) The contribution to a State or local political party may not exceed \$10,000 per calendar year. (The limit used to be \$5,000; see section 315(a)(1)(D) of the FECA, as amended by section 102(3) of the Act.)*

The FECA limits the amount of hard money that multicandidate political committees other than individuals may contribute as follows:

- (i) The contribution to a candidate for Federal office may not exceed \$5,000 per election. (See section 315(a)(2)(A) of the FECA.)*
- (ii) The contribution to a national party committee may not exceed \$15,000 per calendar year. (See section 315(a)(2)(B) of the FECA.)*
- (iii) The contribution to any other political committee, including a political action committee (PAC), may not exceed \$5,000 per calendar year. (No change in the former law; see section 315(a)(2)(C) of the FECA.)*
- (iv) The contribution to a State or local political party may not exceed \$5,000 per calendar year. (See section 315(a)(2)(C) of the FECA.)*

(C) The Ban on Contributions and Donations by Foreign Nationals

Section 319 of the FECA (2 U.S.C. § 441e) makes it "unlawful for (1) a foreign national, directly or indirectly, to make (A) a contribution or donation of money or other thing of value, or to make an express or implied promise to make a contribution or donation, in connection with a Federal, State, or local election; (B) a contribution or donation to a committee of a political party; or (C) an expenditure, independent expenditure, or disbursement for an electioneering communication (within the meaning of section 304(f)(3)); or (2) a person to solicit, accept, or receive a contribution or donation described in subparagraph (A) or (B) of paragraph (1) from a foreign

national."

"Foreign national" is broadly defined to mean (1) a foreign principal, as defined in the Foreign Agent Registration Act of 1938 (22 U.S.C. § 611(b)) or (2) an individual who is not a citizen or national of the United States or who is not lawfully admitted for permanent residence.

(D) Restrictions on Electioneering Communications

Section 304(f) of the FECA, as added by section 201 of the Act, requires any person who makes a disbursement for the direct costs of producing and airing electioneering communications exceeding \$10,000 in a calendar year to file a disclosure statement to the Federal Election Commission.

Section 316 of the FECA (2 U.S.C. § 441b) makes it unlawful for any national bank, any corporation organized by authority of any Federal law, or any labor union to make a contribution or expenditure in connection with any federal election to any federal political office, or a disbursement, using non-PAC money, for an "electioneering communication".

An electioneering communication is any broadcast, cable, or satellite communication which (A) refers to a clearly identified candidate for Federal office; (B) is made within 60 days before a general election or 30 days before a primary election. The Communication must be targeted to the pertinent electorate. (See 2 U.S.C. § 434(f)(3)(c).)

(2) Violations of Section 316(b)

Section 309(d)(1)(B) of the FECA states that "[i]n the case of a knowing and willful violation of section 316(b)(3), the penalties set forth in this subsection shall apply to a violation involving an amount aggregating \$250 or more during a calendar year. Such violation of section 316(b)(3) may incorporate a violation of section 317(b), 320, or 321".

Section 316(b)(3) of the FECA (2 U.S.C. § 441b(b)(3)) makes it unlawful for a national bank, any corporation organized by authority of any law of Congress, or any labor union (A) to use a political fund to make a political contribution or expenditure from money or anything of value that was secured by physical force, job discrimination, financial reprisals (or the threat thereof), or from dues, fees, or other money required as a condition of membership in the labor organization or as a condition of employment; (B) who solicits an employee for contribution to a political fund to fail to inform the employee of the purposes of the fund at the time of the solicitation; and (B) who solicits an employee for contribution to a political fund to fail to inform the employee of his right to refuse to contribute without reprisal.

The sections which may incorporate violations of section 316(b)(3) of the FECA are section 317(b), which prohibits government contractors from making contributions of currency in excess of \$100 for any candidate for Federal office, section 320 which prohibits a person from making a contribution in the name of another or accepting a contribution so made, and section 321, which prohibits any person from making contributions of currency in excess of \$100 for any candidate for Federal office.

(3) Fraudulent Misrepresentations Under Section 322

Section 309(d)(1)(C) of the FECA states that "[i]n the case of a knowing and willful violation of section 322, the penalties set forth in this subsection shall apply without regard to whether the making, receiving, or reporting of a contribution or expenditure of \$1,000 or more is involved."

Section 322(a) of the FECA (2 U.S.C. 441h) states that "[n]o person who is a candidate for Federal office or an employee or agent of such a candidate shall (1) fraudulently misrepresent himself or any committee or organization under his control as speaking or writing or otherwise acting for or on behalf of any other candidate or political party or employee or agent thereof on a matter which is damaging to such other candidate or political party or employee or agent thereof; or (2) willfully and knowingly participate in or conspire to participate in any plan, scheme, or design to violate paragraph (1)."

Section 322(b) states that "[n]o person shall (1) fraudulently misrepresent the person as speaking, writing, or otherwise acting for or on behalf of any candidate or political party or employee or agent thereof for the purpose of soliciting contributions or donations; or (2) willfully and knowingly participate in or conspire to participate in any plan, scheme, or design to violate paragraph (1)."

(4) Conduit Contributions under Section 320

Section 309(d)(1)(D) of the FECA states that "[a]ny person who knowingly and willfully commits a violation of section 320 involving an amount aggregating more than \$10,000 during a calendar year shall be (i) imprisoned for not more than 2 years if the amount is less than \$25,000 (and subject to imprisonment under subparagraph (A) if the amount is \$25,000 or more); (ii) fined not less than 300 percent of the amount of the violation and not more than the greater of (I) \$50,000; or (II) 1,000 percent of the amount involved in the violation; or (iii) both imprisoned under clause (i) and fined under clause (ii)."

Section 320 of the FECA (2 U.S.C. § 441f) states that "[n]o person shall make a contribution in the name of another person or knowingly permit his name to be used to effect such a contribution, and no person shall knowingly accept a contribution made by one person in the name of another person."

In addition to changes made to the FECA, section 302 of the Act amended section 607 of title 18, United States Code, to make it "unlawful for any person to solicit or receive a donation of money or other thing of value in connection with a Federal, State, or local election from a person who is located in a room or building occupied in the discharge of official duties by an officer or employee of the United States. It shall be unlawful for an individual who is an officer or employee of the Federal Government, including the President, Vice President, and Members of Congress, to solicit or receive a donation of money or other thing of value in connection with a Federal, State, or local election, while in any room or building occupied in the discharge of official duties by an officer or employee of the United States, from any person." The penalty is a fine of not more than \$5,000, not more than 3 years or imprisonment, or both.

In order to implement the directive in the Act, this proposed amendment expands the scope of Chapter Two, Part C (Offenses Involving Public Officials) by providing within that Part a new guideline for offenses under the FECA and related offenses. A new guideline, rather than amendment of an existing guideline, seems most appropriate to implement the directive. Currently there exists no guideline which already incorporates the elements of the FECA and related offenses, although the fraud guideline in particular (§2B1.1) and the public corruption guidelines to a lesser degree (Chapter Two, Part C) provide some overlap in the elements of the offense and aggravating conduct. In addition, the enhancements required to be added by the directive in the Act would fit nicely into a guideline devoted solely to campaign finance offenses but could prove unwieldy if added to the fraud or public corruption guidelines, which cover so many other non-campaign finance offenses.

The proposed amendment provides for a base offense level of level [6-10]. The statutorily authorized maximum term of imprisonment for the conduct covered by the proposed guideline was raised by the Act from one year for all such offenses to two years for some offenses and five years for others. The base offense level is set at level [6-10] in recognition of the relative similarity of these offenses to fraud offenses covered by §2B1.1 and public corruption offenses covered by Chapter Two, Part C. A base offense level of level [6-10]

both insures proportionality with relatively similar offenses and permits various sentencing enhancements directed to be added by the Act to operate well.

The proposed amendment also creates a number of specific offense characteristics in response to the directive in section 314(b) of the Act. First, the directive requires the Commission to provide an enhancement if the offense involved a large aggregate amount of illegal contributions, donations, or expenditures and to provide an enhancement for a large number of illegal transactions. These two directives are fundamentally interrelated because the amount of the illegal contributions necessarily tends to increase as the number of illegal transactions increases. Because of the interrelatedness of these two directives, one option is to address these two considerations by providing a specific offense characteristic, at subsection (b)(1), that uses the fraud loss table in §2B1.1 to incrementally increase the offense level according to the dollar amount of the illegal transactions. This approach would foster proportionality with related guidelines, notably the fraud guideline and the public corruption guidelines (which also reference the fraud loss table), and would provide incremental, rather than a flat, punishment according to the dollar amount involved in the offense.

The proposed amendment provides commentary to explain that "illegal transactions" include only those amounts that exceed the amount a person may legitimately contribute, solicit, or expend. The proposed amendment also provides references in the definition to the FECA's definitions of "contribution" and "expenditure".

Another option, provided in the proposed amendment, is to provide enhancements for both the number of illegal transactions and the dollar amount of the transactions. A separate enhancement for the number of illegal transactions takes into account the aspect of sophistication and planning attendant to multiple violations.

Second, the proposed amendment provides an enhancement if the offense involved a contribution, donation, or expenditure from a foreign source. In implementing this enhancement, the proposed amendment adopts the expansive definition of "foreign national" provided in section 319 of the FECA, and provides for a greater enhancement if the defendant knew that the source of the funds was a foreign government.

Third, the proposed amendment provides an enhancement if the offense involved a donation, contribution, or expenditure of governmental funds. The proposed amendment defines "governmental funds" to mean any Federal, State, or local funds. It is anticipated that this enhancement will apply in situations such as using governmental funds awarded in a contract to make a donation or contribution. The FECA itself addresses this type of situation but in very few places. For example, section 317 of the FECA, 2 U.S.C. § 441c, prohibits any person who enters into a contract with the United States for the rendition of services, the provision of materials, supplies, or equipment, or the selling of any land or property to the United States, if the payment from the United States is to be made in whole or in part from funds appropriated from Congress and before completion of or negotiation for the contract, to make or solicit a contribution of money or anything of value to a political party, committee, or candidate for public office or to any person for a political purpose. (This provision does not prohibit, however, the establishment of a segregated account to be used for political purposes.) The concern behind this provision of the FECA, therefore, is to prevent the use of federal funds for political purposes. The same concern pertains to State and local funds as well.

Fourth, the proposed amendment provides a number of options for responding to the directive to provide an enhancement for cases involving an intent to achieve a benefit from the Federal government. One option is to incorporate this factor into the base offense level. Examination of available Commission data reveals that this factor is present in the majority of illegal campaign finance cases and thus lies within the heartland of these cases. Another option presented in the proposed amendment defines this factor as the intent to influence a Federal public official to perform an official act in return for the contribution, donation,

or expenditure. A third option is also presented that limits the intent to achieve a Federal benefit to the intent to achieve a financial benefit.

The amendment also proposes to add an enhancement if the contribution, donation, or expenditure was obtained through intimidation, threat of harm, including pecuniary harm, or coercion.

The proposed amendment also amends the guideline on fines for individual defendants, §5E1.2, to set forth the fine provisions unique to FECA and to provide two upward departure provisions related to certain FECA fines. This part of the amendment also provides that the defendant's participation in a conciliation agreement with the Federal Election Commission pursuant to section 309 of the FECA may be a potentially legitimate factor for the court to consider in evaluating where to sentence an offender within the presumptive fine guideline range. An issue for comment is provided regarding whether, in the alternative, a downward adjustment should apply in cases involving conciliation agreements, or alternatively, whether the Commission should discourage downward departures in such cases.

The proposed amendment provides commentary that counts under this proposed guideline are groupable under subsection (d) of §3D1.2 (Groups of Closely Related Counts). Finally, the Statutory Index is amended to incorporate these offenses.

Proposed Amendment:

PART C - OFFENSES INVOLVING PUBLIC OFFICIALS AND VIOLATIONS OF FEDERAL ELECTION CAMPAIGN LAWS

Introductory Commentary

~~The Commission believes that pre-guidelines sentencing practice did not adequately reflect the seriousness of public corruption offenses. Therefore, these guidelines provide for sentences that are considerably higher than average pre-guidelines practice.~~

§2C1.8. Making, Receiving, or Failing to Report a Contribution, Donation, or Expenditure in Violation of the Federal Election Campaign Act; Fraudulently Misrepresenting Campaign Authority; Soliciting or Receiving a Donation in Connection with an Election While on Certain Federal Property

- (a) Base Offense Level: [6][7][8][9][10]
- (b) Specific Offense Characteristics
 - (1) If the value of the illegal transactions (i) exceeded \$2,000 but did not exceed \$5,000, increase by 1 level; or (ii) exceeded \$5,000, increase by the number of levels from the table in §2B1.1 (Theft, Property Destruction, and Fraud) corresponding to that amount.
 - (2) (Apply the greater) If the offense involved a contribution, donation, or expenditure, or an express or implied promise to make a contribution,

"Governmental funds" means money, assets, or property of a Federal, State, or local government [, including a governmental branch, subdivision, department, agency, or other component.]

"Illegal transaction" means (A) any contribution, donation, solicitation, or expenditure of money or anything of value made in excess of the amount of such contribution, solicitation, or expenditure that may be made under the Federal Election Campaign Act of 1971, 2 U.S.C. § 431 et seq; and (B) in the case of a violation of 18 U.S.C. § 607, any solicitation or receipt of money or anything of value under that section. The terms "contribution" and "expenditure" have the meaning given those terms in section 301(8) and (9) of the Federal Election Campaign Act of 1971 (2 U.S.C. § 431(8) and (9)), respectively.

- [2. Application of Abuse of Position of Trust Adjustment.—If the defendant is an elected official, a candidate for elected office, or acting on behalf of, or employed by, an elected official or candidate for elected office, an adjustment from §3B1.3 (Abuse of Position of Trust or Use of Special Skill) may apply.]*
- 3. Multiple Counts.—For purposes of Chapter Three, Part D (Multiple Counts), multiple counts involving offenses covered by this guideline are grouped together under subsection (d) of §3D1.2 (Groups of Closely Related Counts).*
- 4. Departure Provisions.—In a case in which the value of the illegal transactions does not adequately reflect the seriousness of the offense, an upward departure may be warranted. For example, a relatively small contribution in violation of the Federal Election Campaign Act of 1971 may be made in exchange for favorable consideration in the award of a substantial Federal government contract. Depending on the facts of such a case, an upward departure may be warranted.*

In a case in which the defendant's conduct was part of a systematic or pervasive corruption of a governmental function, process, or office that may cause loss of public confidence in government, an upward departure may be warranted.

Background: This guideline covers violations of the Federal Election Campaign Act of 1971 and related federal election laws, such as 18 U.S.C. § 607.

If the count of conviction involves a violation of the Federal Election Campaign Act under 2 U.S.C. § 441f punishable under 2 U.S.C. § 437g(d)(1)(D), an upward departure to the maximum fine permitted under that subsection may be warranted.]

5.

*Subsection (c)(4) applies to statutes that contain special provisions permitting larger fines; the guidelines do not limit maximum fines in such cases. These statutes include, among others: 21 U.S.C. §§ 841(b) and 960(b), which authorize fines up to \$8 million in offenses involving the manufacture, distribution, or importation of certain controlled substances; 21 U.S.C. § 848(a), which authorizes fines up to \$4 million in offenses involving the manufacture or distribution of controlled substances by a continuing criminal enterprise; 18 U.S.C. § 1956(a), which authorizes a fine equal to the greater of \$500,000 or two times the value of the monetary instruments or funds involved in offenses involving money laundering of financial instruments; 18 U.S.C. § 1957(b)(2), which authorizes a fine equal to two times the amount of any criminally derived property involved in a money laundering transaction; 33 U.S.C. § 1319(c), which authorizes a fine of up to \$50,000 per day for violations of the Water Pollution Control Act; ~~and~~ 42 U.S.C. § 6928(d), which authorizes a fine of up to \$50,000 per day for violations of the Resource Conservation Act; *and 2 U.S.C. § 437g(d)(1)(D), which authorizes, for violations of the Federal Election Campaign Act under 2 U.S.C. § 441f, a fine up to the greater of \$50,000 or 1,000 percent of the amount of the violation, and which requires, in the case of such a violation, a minimum fine of not less than 300 percent of the amount of the violation.**

There may be cases in which the defendant has entered into a conciliation agreement with the Federal Election Commission under section 309 of the Federal Election Campaign Act of 1971 in order to correct or prevent a violation of such Act by the defendant. The existence of a conciliation agreement between the defendant and Federal Election Commission may be an appropriate factor in determining at what point within the applicable fine guideline range to sentence the defendant.

Issues for Comment: *There may be cases in which the defendant has entered into a conciliation agreement with the Federal Election Commission under section 309 of the Federal Election Campaign Act of 1971 in order to correct or prevent a violation of such Act by the defendant. For such cases, the proposed amendment provides that such an agreement may be an appropriate factor in determining the amount of fine that might be imposed. The Commission requests comment regarding whether the existence of such a conciliation agreement between the defendant and Federal Election Commission should be the basis for a downward adjustment under the proposed guideline (and if so, what should the extent of the adjustment be), or, alternatively, should the Commission discourage downward departures in cases involving conciliation agreements so as to limit the effect such an agreement might have on the criminal penalties imposed?*

The Commission also requests comment regarding whether, in contrast to proposed Application Note 2, application of the abuse of position of trust adjustment in §3B1.3 should be precluded for cases under the proposed guideline.

3. Terrorism

Synopsis of Proposed Amendment: *This proposed amendment is a continuation of the Commission's work over the past two years to ensure that the guidelines provide appropriate guideline penalties for offenses involving terrorism. Specifically, this proposed amendment responds to the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT ACT) Act of 2001, Pub.L. 107-56; the Public Health Security and Bioterrorism Preparedness and Response Act of 2002, Pub.L. 107-88; and the Terrorist Bombings Convention Implementation Act of 2002, Pub.L. 107-97.*

I. REMAINING USA PATRIOT ACT AMENDMENTS

The following amendments build on the Commission's response during the last amendment cycle to the USA PATRIOT ACT.

A. Terrorism Enhancement in Money Laundering Guideline

This amendment provides two options for treatment of the current 6-level terrorism enhancement in the money laundering guideline, §2S1.1 (Laundering of Monetary Instruments; Engaging in Monetary Transactions in Property Derived from Unlawful Activity). Option One eliminates the terrorism enhancement. Elimination of the enhancement is appropriate because it prevents "double-counting" with the terrorism adjustment in §3A1.4 (Terrorism). Specifically, the money laundering terrorism enhancement applies if the defendant knew or believed that any of the laundered funds were the proceeds of, or were intended to promote, an offense involving terrorism. The terrorism adjustment at §3A1.4 applies if the offense is a felony that involved, or was intended to promote, a federal crime of terrorism as defined in 18 U.S.C. § 2332b(g)(5). Therefore, if the money laundering terrorism enhancement applied, the terrorism adjustment at §3A1.4 also would apply based on the same conduct.

In the event the Commission determines that the money laundering terrorism adjustment should not be eliminated, Option Two provides a definition of terrorism in the money laundering guideline that mirrors the definition in §3A1.4.

B. Reference of 18 U.S.C. § 1960 to Money Laundering Guideline

This amendment provides two options for the treatment of certain offenses under 18 U.S.C. § 1960. These offenses prohibit knowingly conducting, controlling, managing, supervising, directing, or owning all or part of an unlicensed money transmitting business, as defined in 18 U.S.C. § 1960(b)(1)(C). That provision defines an unlicensed money transmitting business as "a money transmitting business which affects interstate or foreign commerce in any manner or degree and otherwise involves the transportation or transmission of funds that are known to the defendant to have been derived from a criminal offense or are intended to be used to promote or support unlawful activity." The statutory maximum term of imprisonment is 5 years.

Option One changes the Statutory Index reference for these offenses from §2SI.3 (Structuring Transactions to Evade Reporting Requirements) to the main money laundering guideline, §2SI.1. This change is appropriate for this offense because its essence is money laundering rather than structuring to evade reporting requirements.

In contrast, other offenses under 18 U.S.C. § 1960 would remain in the structuring guideline under Option One because they are essentially structuring offenses. Specifically, they prohibit knowingly conducting, controlling, managing, supervising, directing, or owning all or part of an unlicensed money transmitting business, as defined in 18 U.S.C. § 1960(b)(1)(A) and (B). Those provisions define an unlicensed money transmitting business as "a money transmitting business which affects interstate or foreign commerce in any manner or degree and (A) is operated without an appropriate money transmitting license. . . .; or (B) fails to comply with the money transmitting business registration requirements under section 5330 of title 31, United States Code, or regulations prescribed under such section."

Option Two maintains the initial Statutory Index reference for 18 U.S.C. § 1960(b)(1)(C) offenses in the structuring guideline but provides a cross reference to the main money laundering guideline for conduct that falls under 18 U.S.C. § 1960(b)(1)(C).

An issue for comment requests comment regarding whether the proposed cross reference should be broadened so that any structuring offense that involves the intent to promote unlawful activity, knowledge or belief that the funds were the proceeds of unlawful activity, or reckless disregard of the illicit source of the funds would be cross referenced to main money laundering guideline, leaving the structuring guideline to cover purely regulatory offenses.

- (2) If the offense involved (A) a money transmitting business; and (B) the transportation or transmission of funds that are known to the defendant to have been derived from a criminal offense or are intended to be used to promote or support unlawful activity, apply §2S1.1 (Laundering of Monetary Instruments; Engaging in Monetary Transactions in Property Derived from Unlawful Activity).

Commentary

4. Cross Reference in Subsection (c)(2).—For purposes of subsection (c)(2), "money transmitting business" means a money transmitting business that affects interstate or foreign commerce. "Money transmitting" includes transferring funds on behalf of the public by any means, including transfers within the United States or to foreign locations by wire, check, draft, facsimile, or courier.]

Issue for Comment: *The proposed amendment provides two options for the treatment of offenses under 18 U.S.C. § 1960(b)(1)(C). Option One provides for a Statutory Index reference for these offenses to the main money laundering guideline, §2S1.1, rather than the structuring guideline, §2S1.3, because such an offense is essentially a money laundering offense. Option Two references this offense to §2S1.3 in the first instance but provides a cross reference for this offense from §2S1.3 to §2S1.1.*

The Commission requests comment regarding whether the proposed cross reference to §2S1.1 in Option Two should be expanded to cover any offense initially referenced to §2S1.3 in the Statutory Index that involved the intent to promote unlawful activity, knowledge or belief that the funds were the proceeds of unlawful activity, or reckless disregard of the illicit source of the funds. Such an approach effectively would limit the application of §2S1.3 to regulatory offenses (such as the failure to file transaction reports or structuring transactions to evade reporting requirements) unaccompanied by aggravated, real offense money laundering conduct. To effectuate such cross reference, §2S1.3 would likely need to be amended as follows: First, the base offense level of 8 in subsection (a)(1) would be maintained for offenses under 31 U.S.C. §§ 5318 and 5318A, but the alternative base offense level in subsection (a)(2) would be amended to level 6 without any increase from the loss table in §2B1.1. An alternative base offense level of level 6 for a regulatory offense unaccompanied by aggravated conduct is proportionate to other regulatory offenses under the guidelines. Second, the aggravated conduct described in §2S1.3(b)(1) and the aggravated conduct the absence of which is described in §2S1.3(b)(3) would form the basis for the new cross reference. Accordingly, the cross reference to the main money laundering guideline would apply if: (1) the defendant knew or believed that the funds were the proceeds of unlawful activity or were intended to promote unlawful activity; [(2) the offense involved bulk cash smuggling;] or (3) the defendant acted with reckless disregard for the illegal source of the funds. The major possible effects of cross referencing offenses involving real offense money laundering conduct to the money laundering guideline are application of the six-level enhancement in §2S1.1(b)(1) if the defendant knew or believed that the funds were the proceeds of or were intended to promote certain specified crimes, and application of the enhancement in §2S1.1(b)(3) for sophisticated laundering.

C. Enhancement in Accessory After the Fact Guideline for Harboring Terrorists

Currently in §2X3.1 (Accessory After the Fact) there exists an offense level "cap" of level 20 for offenses in which the conduct is limited to harboring a fugitive (and an offense level "cap" of level 30 for all other offenses sentenced under the accessory guideline). This proposed amendment makes the lower offense level "cap" of level 20 inapplicable to offenses involving the harboring of terrorists because of the relative seriousness of those offenses.

Last year, the Commission promulgated an amendment that referenced 18 U.S.C. §§ 2339 and 2339A to §§2X2.1 (Aiding and Abetting) and 2X3.1 (Accessory After the Fact). The offense at 18 U.S.C. § 2339 prohibits harboring or concealing any person who the defendant knows, or has reasonable grounds to believe, has committed or is about to commit one of several enumerated offenses. The maximum term of imprisonment is 10 years. The offense at 18 U.S.C. § 2339A prohibits the provision of material support or resources to terrorists, knowing or intending that they will be used in the preparation for, or in carrying out, specified crimes (i.e., those designated as predicate offenses for "federal crimes of terrorism") or in preparation for, or in carrying out, the concealment or an escape from the commission of any such violation. The maximum term of imprisonment is 15 years. In contrast, a violation of the general harboring statute, 18 U.S.C. § 1071, has a maximum term of imprisonment of 5 years.

For consistency and proportionality, the proposed amendment not only makes the "cap" of level 20 inapplicable to harboring a person who is convicted under 18 U.S.C. § 2339 or § 2339A but also to the conduct of harboring an individual who commits a terrorism offense, i.e., one of the offenses listed in 18 U.S.C. § 2339 or § 2339A or an offense involving or intending to promote a federal crime of terrorism, as defined in 18 U.S.C. § 2332b(g)(5).

Proposed Amendment (Part IC):

§2X3.1. Accessory After the Fact

- (a) ~~Base Offense Level: 6 levels lower than the offense level for the underlying offense, but in no event less than 4, or more than 30. However, in a case in which the conduct is limited to harboring a fugitive, the base offense level under this subsection shall not be more than level 20.~~
- (a) **Base Offense Level:**
- (1) **6 levels lower than the offense level for the underlying offense, except as provided in subdivisions (2) and (3).**
- (2) **The base offense level under this guideline shall be not less than level 4.**
- (3) (A) **The base offense level under this guideline shall be not more than level 30, except as provided in subdivision (B).**
- (B) **In any case in which the conduct is limited to harboring a fugitive, other than a case described in subdivision (C), the base offense level under this guideline shall not be more than level 20.**
- (C) **The limitation in subdivision (B) shall not apply in any case in which (i) the defendant is convicted under 18 U.S.C. § 2339 or § 2339A; or (ii) the conduct involved (I) harboring a person who committed any offense listed in 18 U.S.C. § 2339 or § 2339A or who committed any offense involving or intending to promote a federal crime of terrorism, as defined in 18 U.S.C. § 2332b(g)(5); or (II) obstructing the investigation of, or committing perjury with respect to, any offense described in subdivision (I). In such a case, the base offense level under this guideline shall be not more than level 30, as provided in subdivision (A).**

II. AMENDMENTS REQUIRED BY THE PUBLIC HEALTH SECURITY AND BIOTERRORISM PREPAREDNESS AND RESPONSE ACT OF 2002

The following amendments to the guidelines are proposed in response to the Public Health Security and Bioterrorism Preparedness and Response Act of 2002, Pub. L. 107-188.

A. BIOLOGICAL AGENTS AND TOXINS

First, the proposed amendment amends the Statutory Index to refer new offenses involving biological agents and toxins to the guideline covering nuclear, biological, and chemical weapons and materials, §2M6.1. Specifically, the Public Health Security and Bioterrorism Preparedness and Response Act of 2002 amends 18 U.S.C. §175b to redesignate the existing offense and create new offenses as follows:

(1) The existing offense, redesignated at 18 U.S.C. § 175b(a)(1), prohibits any restricted person (as defined in subsection (b)) from transporting, receiving, or possessing any biological agent or toxin that the Secretary of Health and Human Services has listed under regulations as a "select agent". The maximum term of imprisonment is 10 years. During the last amendment cycle, the Commission referred this offense to §2M6.1 and provided an alternative base offense level of level 22.

(2) Two new offenses, at 18 U.S.C. § 175b(b)(1) and (2), prohibit a person from transferring a select agent listed in regulations by the Secretary of Health and Human Services, or a biological agent or toxin listed in regulations by the Secretary of Agriculture as posing a severe threat to animal or plant health or products, to any person the transferor knows or has reason to believe is not registered to receive or possess such agent or toxin, as required under regulations prescribed by the pertinent Secretary. The maximum term of imprisonment is 5 years.

(3) Two new offenses, at 18 U.S.C. § 175b(c)(1) and (2), prohibit any person from knowingly possessing a select agent listed in regulations by the Secretary of Health and Human Services, or a biological agent or toxin listed in regulations by the Secretary of Agriculture as posing a severe threat to animal or plant health or products, if that person has not registered to receive or possess such agent or toxin, as required under regulations prescribed by the pertinent Secretary. The maximum term of imprisonment is 5 years.

Like the existing offense at 18 U.S.C. § 175b(a)(1), reference of the new offenses to §2M6.1 is appropriate. (An amendment to the statutory index is not necessary because there already exists a reference to §2M6.1 for section 175b offenses.)

Second, the proposed amendment provides for a base offense level of level 22 for the new offenses involving transfer to, or possession of, select biological agents by unregistered persons. This proposed base offense level is the same as the existing base offense level for offenses involving transfer to, or possession of, select biological agents by restricted persons. The proposed amendment exempts these offenses from application of §2M6.1(b)(1), which provides a two level enhancement for offenses involving select agents, because that factor is incorporated into the proposed base offense levels.

Third, in response to Act, the proposed amendment makes two modifications to the definition of "select biological agent" in §2M6.1. That definition exists in the guideline for purposes of the two level enhancement in §2M6.1(b)(1) for offenses that involved such an agent. First, in response to section 212 of the Public Health Security and Bioterrorism Preparedness and Response Act of 2002, the amendment proposes to expand the definition of "select biological agent" to include biological agents and toxins the Secretary of Agriculture has determined pose a severe threat to animal and plant health and products.

Second, section 201 of the Act codified a number of provisions of the Antiterrorism and Effective Death Penalty Act of 1996 in the Public Health Service Act. This codification necessitates a conforming amendment to the definition of "select agent" in Application Note 1 of §2M6.1.

Proposed Amendment (Part IIA)

§2M6.1. Unlawful Production, Development, Acquisition, Stockpiling, Alteration, Use, Transfer, or Possession of Nuclear Material, Weapons, or Facilities, Biological Agents, Toxins, or Delivery Systems, Chemical Weapons, or Other Weapons of Mass Destruction; Attempt or Conspiracy

- (a) Base Offense Level (Apply the Greatest):
- (1) **42**, if the offense was committed with intent (A) to injure the United States; or (B) to aid a foreign nation or a foreign terrorist organization;
 - (2) **28**, if subsections (a)(1), (a)(3), **and (a)(4)**, ~~and (a)(5)~~ do not apply;
 - (3) **22**, if the defendant is convicted under 18 U.S.C. § 175b; **or**
 - (4) **20**, if **(A)** the defendant is convicted under 18 U.S.C. § 175(b); or **(B) the offense (i) involved a threat to use a nuclear weapon, nuclear material, or nuclear byproduct material, a chemical weapon, a biological agent, toxin, or delivery system, or a weapon of mass destruction; but (ii) did not involve any conduct evidencing an intent or ability to carry out the threat.**
 - ~~(5) **20**, if the offense (A) involved a threat to use a nuclear weapon, nuclear material, or nuclear byproduct material, a chemical weapon, a biological agent, toxin, or delivery system, or a weapon of mass destruction; but (B) did not involve any conduct evidencing an intent or ability to carry out the threat.~~
- (b) Specific Offense Characteristics
- (1) If (A) subsection (a)(2); **or (a)(4)**, ~~or (a)(5)~~ applies; and (B) the offense involved a threat to use, or otherwise involved (i) a select biological agent; (ii) a listed precursor or a listed toxic chemical; (iii) nuclear material or nuclear byproduct material; or (iv) a weapon of mass destruction that contains any agent, precursor, toxic chemical, or material referred to in subdivision (i), (ii), or (iii), increase by **2** levels.
 - (2) If (A) subsection (a)(2), (a)(3), or (a)(4)**(A)** applies; and (B)(i) any victim died or sustained permanent or life-threatening bodily injury, increase by **4** levels; (ii) any victim sustained serious bodily injury, increase by **2** levels; or (iii) the degree of injury is between that specified in subdivisions (i) and (ii), increase by **3** levels.
 - (3) If (A) subsection (a)(2), (a)(3), **or (a)(4)**, ~~or (a)(5)~~ applies; and (B) the offense resulted in (i) substantial disruption of public, governmental, or business functions or services; or (ii) a substantial expenditure of funds to clean up, decontaminate, or otherwise respond to the offense, increase by

4 levels.

Application Notes:

1. Definitions.—For purposes of this guideline:

* * *

"Select biological agent" means a biological agent or toxin identified (A) by the Secretary of Health and Human Services on the select agent list established and maintained pursuant to section 511(d) of the Antiterrorism and Effective Death Penalty Act, Pub. L. 104-132. See 42 C.F.R. part 72.351A of the Public Health Service Act (42 U.S.C. 262a), or (B) by the Secretary of Agriculture on the list established and maintained pursuant to section 212 of the Agricultural Bioterrorism Protection Act of 2002 (7 U.S.C. § 8401).

2. Threat Cases.—Subsection ~~(a)(3)~~(a)(4)(B) applies in cases that involved a threat to use a weapon, agent, or material covered by this guideline but that did not involve any conduct evidencing an intent or ability to carry out the threat. For example, subsection ~~(a)(3)~~(a)(4)(B) would apply in a case in which the defendant threatened to contaminate an area with anthrax and also dispersed into the area a substance that appeared to be anthrax but that the defendant knew to be harmless talcum powder. In such a case, the dispersal of talcum powder does not evidence an intent on the defendant's part to carry out the threat. In contrast, subsection ~~(a)(3)~~(a)(4)(B) would not apply in a case in which the defendant threatened to contaminate an area with anthrax and also dispersed into the area a substance that the defendant believed to be anthrax but that in fact was harmless talcum powder. In such a case, the dispersal of talcum powder was conduct evidencing an intent to carry out the threat because of the defendant's belief that the talcum powder was anthrax.

Subsection ~~(a)(3)~~(a)(4)(B) shall not apply in any case involving both a threat to use any weapon, agent, or material covered by this guideline and the possession of that weapon, agent, or material. In such a case, possession of the weapon, agent, or material is conduct evidencing an intent to use that weapon, agent, or material.

B. SAFE DRINKING WATER PROVISIONS

This proposed amendment responds to amendments to the Safe Drinking Water Act made by section 403 of the Public Health Security and Bioterrorism Preparedness and Response of 2002. Section 1432(a) of the Safe Drinking Water Act (42 U.S.C. § 300i-1(a)) prohibits any person from tampering with a public water system. The statutory maximum penalty was increased from 5 years' imprisonment to 20 years' imprisonment. This offense is the only offense referenced to §2Q1.4 (Tampering or Attempted Tampering with Public Water System). Section 1432(b) of such Act (42 U.S.C. § 300i-1(b)) prohibits anyone from attempting or threatening to tamper with a public water system. The statutory maximum penalty was increased from 3 years' imprisonment to 10 years' imprisonment. This offense is the only offense referenced to §2Q1.5 (Threatened Tampering with Public Water System). For purposes of both offenses, "tamper" means "to introduce a contaminant into a public water system with the intention of harming persons" or "to otherwise interfere with the operation of a public water system with the intention of harming persons".

First, the amendment proposes to consolidate the guidelines covering tampering with consumer products, §2N1.1, and tampering with a public water system, §2Q1.4, and to consolidate the guidelines covering threatened tampering with consumer products, §2N1.2, and threatened tampering with a public water system, §2Q1.5. Consolidation is proposed because of the infrequency of occurrence of these offenses and because these guidelines cover very similar conduct; accordingly, the treatment of these offenses under the same guideline would promote proportionality in punishment. The substantive changes resulting from the proposed consolidation would include (1) increased base offense levels for public water system offenses, as discussed in the following paragraph; (2) application to consumer product cases of an existing enhancement in the public water system guidelines if the offense involved substantial disruption of governmental functions or substantial expenditure of funds to respond to the offense; (3) elimination of the existing enhancement in the public water system guideline for ongoing, continuous, or repetitive release of a contaminant into the water supply (elimination is proposed because of definitional difficulties); (4) replacement of the existing enhancement in the public water system guideline if the purpose of the offense was to influence government action or to extort money with an application note inviting an upward departure if a terrorist motive was present and a cross reference to the extortion guideline if the offense involved extortion; and (5) application to public water system offenses of an existing cross reference in the consumer products guideline to the murder guidelines if death resulted. Conforming changes are made to the Statutory Index.

An issue for comment follows regarding whether the proposed consolidations also should effectuate a consolidation of the tampering guidelines with the threatened tampering guidelines, similar to the manner in which offenses involving threats to use nuclear, biological, or chemical weapons are subsumed within the nuclear, biological and chemical guideline, §2M6.1.

Second, the amendment proposes to increase the base offense level for offenses involving tampering and threatened tampering with a public water system. Under the proposed consolidation, the base offense level for tampering with a public water system would increase from level 18 to level 25, and the six level enhancement for the risk of death or serious bodily injury would be eliminated and replaced with a graduated enhancement for actual bodily injury. Likewise, the base offense level for threatening to tamper with a public water system is proposed to increase from level 10 to level 16. For point of comparison, the existing base offense level for threatening communications under §2A6.1 is level 12 and for threatened use of nuclear, biological, and chemical weapons under §2M6.1 is level 20. These substantial increases in the base offense levels are proposed to ensure proportionality with similar offenses and to respond to the increased statutory maximum penalties made by section 403 of the Public Health Security and Bioterrorism Preparedness and Response of 2002.

Third, the amendment proposes to provide an application note in the consolidated guideline that an upward departure (as provided in Application Note 4 of the terrorism adjustment in §3A1.4 (Terrorism)) may be warranted if the tampering or threatened tampering was accompanied by a terrorist motive. The amendments to the Safe Drinking Water Act made by the Public Health Security and Bioterrorism Preparedness and Response of 2002 contemplated that terrorism may be the motive behind tampering with the public water supply. Section 1431 of the Safe Drinking Water Act (42 U.S.C. 300i-1) was amended to expand the authority of the Administrator of the Environmental Protection Agency to take emergency action to protect the public health if the Administrator determines that "there is a threatened or potential terrorist attack or other intentional act designed to disrupt the provision of safe drinking water or to impact adversely the safety of drinking water supplied to communities and individuals, which may present an imminent and substantial endangerment" to the public health. Terrorist motives similarly may be present in offenses involving tampering with consumer products.

One other criminal provision was added by the Act, but it may be appropriate not to list this provision in the Statutory Index at this time. Section 401 of the Public Health Security and Bioterrorism

Preparedness and Response of 2002 added section 1433 to the Safe Drinking Water Act. This provision requires local communities to conduct assessments of the vulnerability of their public water systems to terrorist and other intentional acts. Section 1433(a)(6) of the Safe Drinking Water Act (42 U.S.C. § 300i-2(a)(6)) provides that any person who acquires information from this assessment and knowingly or recklessly reveals such information to a person other than to specified persons authorized to receive such information shall be imprisoned for not more than one year and/or fined in accordance with the fines applicable to Class A misdemeanors. This provision does not provide a neat fit within the guidelines. Most of the environmental regulatory guidelines cover the failure to report information or the falsification of information, rather than the reckless disclosure of information. Rather than provide a Statutory Index reference at this point, it may be best to assess over the next few years the frequency of prosecution of this offense and what conduct typically occurs in connection with the offense.

Issue for Comment: *For the reasons stated in the foregoing synopsis, this amendment proposes to consolidate the guidelines covering tampering with consumer products, §2N1.1, and tampering with a public water system, §2Q1.4, and to consolidate the guidelines covering threatened tampering with consumer products, §2N1.2, and threatened tampering with a public water system, §2Q1.5. The Commission requests comment regarding whether the Commission should effectuate the consolidation of these four guidelines into one guideline covering both tampering and threatened tampering cases. Such an approach would be consistent with the guideline covering nuclear, biological, and chemical weapons and materials, §2M61, which covers both offenses involving such weapons and materials as well as offenses involving the threatened use of such weapons and materials.*

C. ANIMAL ENTERPRISE TERRORISM

This proposed amendment adds an invited upward departure provision in the fraud, theft, and property destruction guideline, §2B1.1, to account for aggravating conduct that may occur in connection with an animal enterprise offense under 18 U.S.C. § 43.

Specifically, section 336 of the Public Health Security and Bioterrorism Preparedness and Response Act of 2002 increased the penalty provisions of 18 U.S.C. § 43, which makes it an offense to travel in interstate or foreign commerce, or to use or cause to be used the mail or any facility in interstate or foreign commerce for the purpose of causing physical disruption to the functioning of an animal enterprise, and to intentionally damage or cause the loss of any property (including animals and records) used by the animal enterprise, or to conspire to do so.

Before amendment by the Act, the penalty structure was (1) not more than one year imprisonment for causing economic damage exceeding \$10,000; (2) not more than 10 years' imprisonment for causing serious bodily injury in the course of such an offense; and (3) life or any term of years of imprisonment if death resulted. As a result of the Act, the penalty structure now is (1) not more than 6 months imprisonment for causing economic damage not exceeding \$10,000 (18 U.S.C. § 43(b)(1)); (2) not more than 3 years' imprisonment for causing economic damage exceeding \$10,000 (18 U.S.C. § 43(b)(2)); (3) not more than 20 years' imprisonment for causing serious bodily injury in the course of such an offense (18 U.S.C. § 43(b)(3)); and (4) life or any term of years of imprisonment if death resulted (18 U.S.C. § 43(b)(4)).

This offense currently is referenced only to §2B1.1. While reference only to that guideline generally continues to be appropriate for violations under 18 U.S.C. § 43, that guideline fails to account for aggravated situations in which serious bodily injury or death results. Although the property damage guideline contains an enhancement for the risk of serious bodily injury or death, there is no enhancement or cross reference in that guideline that would provide a higher offense level if actual serious bodily injury or death resulted. Given the highly unusual occurrence of death or serious bodily injury in property damage cases generally and the infrequency of these specific offenses, the proposed amendment adds an invited upward departure provision in Application Note 15(A)(ii) of §2B1.1 if death or serious bodily injury occurs in an offense under 18 U.S.C. § 43, or if substantial or significant scientific information or research is lost as part of such an offense.

Proposed Amendment (Part IIC):

15. Departure Considerations.—

* * *

- (ii) *The offense caused or risked substantial non-monetary harm. For example, the offense caused physical harm, psychological harm, or severe emotional trauma, or resulted in a substantial invasion of a privacy interest (through, for example, the theft of personal information such as medical, educational, or financial records). An upward departure would be warranted, for example, in a case involving animal enterprise terrorism under 18 U.S.C. § 43, if, in the course of the offense, serious bodily injury or death resulted, or substantial scientific research or information were destroyed.*

III. AMENDMENTS REQUIRED BY THE TERRORIST BOMBINGS CONVENTION IMPLEMENTATION ACT OF 2002

The proposed amendment amends the Statutory Index (and the Statutory Provisions of the pertinent Chapter Two guidelines) to add three new offenses created by the Terrorist Bombings Convention Implementation Act of 2002, Pub. L. 107–197, and provides conforming amendments within a number of Chapter Two guidelines to more fully incorporate the new offenses into the offense guidelines.

First, section 102 of the Act created a new offense at 18 U.S.C. § 2332f, which provides in subsection (a) that "whoever unlawfully delivers, places, discharges, or detonates an explosive or other lethal device in, into, or against a place of public use, a state or government facility, a public transportation system, or an infrastructure facility (A) with the intent to cause death or serious bodily injury, or (B) with the intent to

cause extensive destruction of such a place, facility, or system, where such destruction results in or is likely to result in major economic loss" and in subsection (b) that "whoever attempts or conspires to commit [such] an offense" shall be punished as provided under 18 U.S.C. § 2332a(a). Section 2332a offenses currently are referenced to §§2K1.4 (the arson and property damage by use of explosives guideline) and 2M6.1 (the guideline covering nuclear, biological, and chemical weapons). The proposed amendment refers this new offense to those guidelines as well. In addition, the proposed amendment amends the alternative base offense levels in the arson guideline §2K1.4(a)(1) so that the base offense level of level 24 applies to targets of 18 U.S.C. § 2332f offenses, namely, state or government facilities, infrastructure facilities, public transportation systems and "places of public use".

Second, section 202 of the Act created a new offense at 18 U.S.C. § 2339C, which provides in subsection (a)(1) that "whoever, in a circumstance described in subsection (c) (i.e., in the United States or outside of the United States by a national of the United States or an entity organized under the laws of the United States), by any means directly or indirectly, unlawfully and willfully provides or collects funds, with the intention that such funds be used, or with the knowledge that such funds are to be used, in full or in part, in order to carry out (A) an act which constitutes an offense, within the scope of certain international treaties, as implemented by the United States, or (B) any other act intended to cause death or serious bodily injury to a civilian, or to any person not taking an active part in the hostilities in a situation of armed conflict, when the purpose of such act, by its nature or context, is to intimidate a population, or to compel a government or an international organization to do or abstain from doing an act", and in subsection (b) that whoever attempts or conspires to commit such an offense, shall be punished for a maximum term of imprisonment of 20 years.

The proposed amendment refers the new offense at 18 U.S.C. § 2339C(1)(A) to §2X2.1 (Aiding and Abetting). The new offense involves providing or collecting funds knowing or intending that the funds would be used to carry out any of a number of specified offenses. Accordingly, the proposed amendment treats these offenses in the same manner as 18 U.S.C. § 2339A offenses, which aid and abet a predicate offense listed in the statute. An amendment is proposed to be made in §2X2.1 to conform the definition of the "underlying offense" that is aided and abetted.

The proposed amendment refers the new offense at 18 U.S.C. § 2339C(a)(1)(B) to §2M5.3 (Providing Material Support or Resources to Designated Foreign Terrorist Organizations). Reference to §2M5.3 is appropriate because this offense involves generally providing or collecting funds knowing or intending that the funds would be used to carry out not a specified offense but rather an act which by its nature is a terrorist act (because it is meant to intimidate a civilian population or to compel a government or international organization to do something or to refrain from doing something). Therefore, the essence of the offense is the provision of material support to terrorists, which is appropriately referenced to §2M5.3. The proposed amendment expands §2M5.3 to include not only designated foreign terrorist organizations but other terrorists as well.

Third, 18 U.S.C. § 2339C(c)(2) makes it unlawful in the United States, or outside the United States by a national of the United States or an entity organized under the laws of the United States, to knowingly conceal or disguise the nature, location, source, ownership, or control of any material support, resources, or funds knowing or intending that they were (A) provided in violation of 18 U.S.C. §2339B, or (B) provided or collected in violation of 18 U.S.C. §2339C(a)(1) or (2). The maximum term of imprisonment for a violation of subsection 18 U.S.C. § 2339C(c) is 10 years.

The proposed amendment references offenses under 18 U.S.C. § 2339C(c)(2)(A) to §2X3.1 (Accessory After the Fact), since the essence of such an offense is the concealment of resources that were known or intended to have been provided in violation of another substantive offense, namely, 18 U.S.C. § 2339B. An amendment is proposed to be made in §2X3.1 to conform the definition of the "underlying

offense" to which the defendant is an accessory.

The proposed amendment references offenses under 18 U.S.C. § 2339C(c)(2)(B) to §§2M5.3 and 2X3.1. To the extent the offense involved knowingly concealing or disguising the nature, location, source, ownership, or control of any material support, resources, or funds knowing or intending that they were provided or collected in violation of 18 U.S.C. § 2339C(a)(1), the offense should be sentenced under §2X3.1. This is because the concealment occurs with respect to material support the defendant knows is to be used, in full or in part, in order to carry out an act which constitutes any number of specified offenses. To the extent the offense involved knowingly concealing or disguising the nature, location, source, ownership, or control of any material support, resources, or funds knowing or intending that they were provided or collected in violation of 18 U.S.C. § 2339C(a)(2), the offense should be sentenced under §2M5.3. This is because the concealment occurs with respect to material support the defendant knows is to be used, in full or in part, in order to carry out not a specified offense but rather an act which by its nature is a terrorist act (because it is meant to intimidate a civilian population or to compel a government or international organization to do something or to refrain from doing something). A conforming amendment is proposed to be added to the Statutory Provisions of §§2M5.3 and 2X3.1.

IV. MISCELLANEOUS AMENDMENTS

The proposed amendment amends §2K1.3 to add an additional base offense level of 18 for certain offenses committed under 18 U.S.C. § 842(p)(2). Section 842(p)(2) criminalizes knowingly or intentionally facilitating Federal crimes of violence by teaching or demonstrating the making or use of an explosive, destructive device, or weapon of mass destruction. It also criminalizes the distribution "by any means information pertaining to, in whole or in part, the manufacture or use of an explosive, destructive, device, or weapon of mass destruction" with the intent or knowing that the teaching, demonstration, or information will be used for or in furtherance of, an activity that constitutes a Federal crime of violence. The statutory maximum term of imprisonment is 20 years.

The statute is referenced in the Statutory Index to §§2K1.3 (covering prohibited transactions involving explosive materials) and 2M6.1 (covering weapons of mass destruction). The applicable base offense levels at §2M6.1 are levels 42 and 28. The applicable offense level at §2K1.3 currently is base

offense level 12. Section 2K1.3 has alternative base offense levels predicated upon recidivism. An alternative base offense level of 24 applies to a defendant with two prior felony convictions of a crime of violence or a controlled substance offense, and an alternative base offense level of 20 applies to a defendant with one prior felony conviction of a crime of violence or a controlled substance offense. The base offense level of 12 appears to be disproportionately low compared with other 20 year offenses, and compared with the treatment of 18 U.S.C. § 842(p)(2) offenses under §2M6.1. This is especially true in light of the definition of "destructive device", defined at 18 U.S.C. § 921(a)(4) to include "(A) any explosive, incendiary, or poison gas (i) bomb, (ii) grenade, (iii) rocket having a propellant charge of more than four ounces, (iv) missile having an explosive or incendiary charge of more than one-quarter ounce, (v) mine, or (vi) device similar to any of the devices described in the preceding clauses"

The proposed amendment also makes the enhancement at §2K1.3(b)(3) and the cross reference at §2K1.3(c)(1) applicable to 18 U.S.C. § 842(p)(2) offenses. Currently, in cases in which the defendant used or possessed any explosive material in connection with another felony offense or possessed or transferred any explosive material with knowledge, intent, or reason to believe that it would be used or possessed in connection with another felony offense, subsection (b)(3) provides a four level enhancement and a minimum offense level of level 18, and, if the resulting offense level is greater, the cross reference at subsection (c)(1) references such cases either to §2X1.1 (Attempt, Solicitation, or Conspiracy), or to the most analogous homicide guideline if death resulted. Application of both subsection (b)(3) and subsection (c)(1) to 18 U.S.C. § 842(p)(2) offenses is appropriate because of the defendant's knowledge and/or intent that the defendant's teaching would be used to carry out another felony.

Finally, the proposed amendment makes minor technical changes to the Statutory Provisions of §2M6.1.

Synopsis of Amendment: *This proposed amendment addresses various application issues that have come to the Commission's attention through Helpline calls, training sessions, and case law. First, two options are provided to address felony drug trafficking offenses that receive a sentence other than imprisonment. Currently, there is some confusion regarding whether such offenses should receive a 16-, 12-, or 8-level enhancement. Under the current guideline (as well as both proposed options), drug trafficking offenses for which the term of imprisonment imposed was more than 13 months receive a 16-level enhancement. Under Option One, all other felony drug trafficking offenses will receive a 12-level enhancement. Under Option Two, felony drug trafficking offenses that receive a term of imprisonment of less than 13 months will receive a 12-level enhancement, and felony drug trafficking offenses that receive a sentence other than imprisonment (e.g., probation or a fine) will receive an 8-level enhancement.*

This amendment also makes the following commentary changes: adds definitions of "alien smuggling", "child pornography", and "human trafficking" offenses; adds commentary to clarify how revocations of probation, parole, or supervised release should be treated for purposes of determining the term of imprisonment imposed; adds language prohibiting the use of juvenile adjudications under this guideline; and amends the definition of "aggravated felony" to exclude offenses of simple possession of a controlled substance.

Proposed Amendment:

[Option One:

~~(B) a conviction for a felony drug trafficking offense for which the sentence imposed was 13 months or less, increase by **12** levels;~~

Application Notes:

I. Application of Subsection (b)(1).—

(A) In General.—For purposes of subsection (b)(1):

* * *

~~(iv) If all or any part of a sentence of imprisonment was probated, suspended, deferred, or stayed, "sentence imposed" refers only to the portion that was not probated, suspended, deferred, or stayed.~~

(iv) "Term of imprisonment".—

(I) Definition.—"Term of imprisonment" means the sentence of incarceration originally imposed.

(II) Probated, Suspended, Deferred, or Stayed Sentences.—If all or any part of a term of imprisonment was probated, suspended, deferred, or stayed, "sentence imposed" refers only to the portion that was not probated, suspended, deferred, or stayed. A sentence in which all of a term of imprisonment was suspended and a term of probation was imposed is not a term of imprisonment for purposes of this guideline. [Option Two: Accordingly, for purposes of subsections (b)(1)(A) and (B), the sentence imposed for a felony drug trafficking offense must be a sentence of incarceration. Any felony drug trafficking sentence other than a sentence of incarceration (e.g., probation or a fine) shall be counted under subsection (b)(1)(C).]

(III) Revocations of Probation or Parole.—For purposes of determining the term of imprisonment in a case involving a revocation of probation, parole, or supervised release add the term of imprisonment given upon revocation to any term of imprisonment originally imposed.

(v) Subsection (b)(1) does not apply to a conviction for an offense committed prior to age of eighteen years unless it is classified as an adult conviction under the laws of the jurisdiction in which the defendant was convicted (e.g., a federal conviction for an offense committed prior to the defendant's eighteenth birthday is an adult conviction if the defendant was expressly proceeded against as an adult).

~~(B) Definitions.—For purposes of subsection (b)(1):~~

~~(i) "Committed for profit" means committed for payment or expectation of payment.~~

~~(ii) "Crime of violence"=~~

~~(f) means an offense under federal, state, or local law that has as an element the use,~~

~~attempted use, or threatened use of physical force against the person of another; and~~

~~(H) includes murder, manslaughter, kidnapping, aggravated assault, forcible sex offenses (including sexual abuse of a minor), robbery, arson, extortion, extortionate extension of credit, and burglary of a dwelling.~~

~~(iii) "Drug trafficking offense" means an offense under federal, state, or local law that prohibits the manufacture, import, export, distribution, or dispensing of a controlled substance (or a counterfeit substance) or the possession of a controlled substance (or a counterfeit substance) with intent to manufacture, import, export, distribute, or dispense.~~

~~(iv) "Felony" means any federal, state, or local offense punishable by imprisonment for a term exceeding one year.~~

~~(v) "Firearms offense" means any of the following:~~

~~(I) An offense under federal, state, or local law that prohibits the importation, distribution, transportation, or trafficking of a firearm described in 18 U.S.C. § 921, or of an explosive material as defined in 18 U.S.C. § 841(c).~~

~~(II) An offense under federal, state, or local law that prohibits the possession of a firearm described in 26 U.S.C. § 5845(a), or of an explosive material as defined in 18 U.S.C. § 841(c).~~

~~(III) A violation of 18 U.S.C. § 844(h).~~

~~(IV) A violation of 18 U.S.C. § 924(c).~~

~~(V) A violation of 18 U.S.C. § 929(a).~~

~~(vi) "Terrorism offense" means any offense involving, or intending to promote, a "federal crime of terrorism", as that term is defined in 18 U.S.C. § 2332b(g)(5).~~

(B) Definitions.—For purposes of subsection (b)(1):

(i) "Alien smuggling offense committed for profit" means (I) an offense described in section 1324(a) of title 8, United States Code, that was committed for profit, regardless of whether the indictment charged that the offense was committed for profit; or (II) an offense under state law consisting of conduct that would have been an offense under 8 U.S.C. § 1324(a) that was committed for profit, regardless of whether the indictment charged that the offense was committed for profit, if the offense had occurred within the special maritime and territorial jurisdiction of the United States. "Committed for profit" means the offense was committed for payment or expectation of payment.

(ii) "Child pornography offense" means (I) an offense described in section 2251, 2251A, 2252[, or 2260] of title 18, United States Code; or (II) an offense under state law consisting of conduct that would have been an offense under any such section if the offense had occurred within the special maritime and territorial jurisdiction of the United States.

- (iii) *"Crime of violence" means any of the following: murder, manslaughter, kidnapping, aggravated assault, forcible sex offenses (including sexual abuse of a minor), robbery, arson, extortion, extortionate extension of credit, burglary of a dwelling, or any offense under federal, state, or local law that has as an element the use, attempted use, or threatened use of physical force against the person of another.*
- (iv) *"Drug trafficking offense" means an offense under federal, state, or local law that prohibits the manufacture, import, export, distribution, or dispensing of a controlled substance (or a counterfeit substance) or the possession of a controlled substance (or a counterfeit substance) with intent to manufacture, import, export, distribute, or dispense.*
- (v) *"Felony" means any federal, state, or local offense punishable by imprisonment for a term exceeding one year.*
- (vi) *"Firearms offense" means any of the following:*
 - (I) *An offense under federal, state, or local law that prohibits the importation, distribution, transportation, or trafficking of a firearm described in 18 U.S.C. § 921, or of an explosive material as defined in 18 U.S.C. § 841(c).*
 - (II) *An offense under federal, state, or local law that prohibits the possession of a firearm described in 26 U.S.C. § 5845(a), or of an explosive material as defined in 18 U.S.C. § 841(c).*
 - (III) *A violation of 18 U.S.C. § 844(h).*
 - (IV) *A violation of 18 U.S.C. § 924(c).*
 - (V) *A violation of 18 U.S.C. § 929(a).*
 - (VI) *An offense under state law consisting of conduct that would have been an offense under subdivision (III), (IV), or (V) if the offense had occurred within the special maritime and territorial jurisdiction of the United States.*
- (vii) *"Human trafficking offense" means (I) any offense described in section 1581, 1582, 1583, 1584, 1585, 1588 [1589, 1590, or 1591] of title 18, United States Code; or (II) an offense under state law consisting of conduct that would have been an offense under any such section if the offense had occurred within the special maritime and territorial jurisdiction of the United States.*
- (viii) *"Terrorism offense" means any offense involving, or intending to promote, a "federal crime of terrorism", as that term is defined in 18 U.S.C. § 2332b(g)(5).*

~~2. Application of Subsection (b)(1)(C).—For purposes of subsection (b)(1)(C), "aggravated felony" has the meaning given that term in 8 U.S.C. § 1101(a)(43), without regard to the date of conviction of the aggravated felony.~~

2. Application of Subsection (b)(1)(C).—

- (A) Definitions.—For purposes of subsection (b)(1)(C), "aggravated felony" (i) has the meaning given that term in 8 U.S.C. § 1101(a)(43), without regard to the date of conviction of the

aggravated felony, and (ii) does not include the offense of possession of a controlled substance without an intent to distribute that controlled substance.

(B) In General.—The offense level shall be increased under subsection (b)(1)(C) for any aggravated felony (as defined in subdivision (A)), with respect to which the offense level is not increased under subsections (b)(1)(A) or (B) [(e.g., a felony drug trafficking offense for which the sentence imposed was a sentence other than imprisonment).]

3. *Application of Subsection (b)(1)(E).*—*For purposes of subsection (b)(1)(E):*

** * **

(B) "Three or more convictions" means at least three convictions for offenses that ~~(i) were separated by an intervening arrest, (ii) did not occur on the same occasion, (iii) were not part of a single common scheme or plan, or (iv) were not consolidated for trial or sentencing.~~ are not considered related cases as defined in Application Note 3 of §4A1.2 (Definitions and Instructions for Computing Criminal History).

5. §5G1.3 (Imposition of a Sentence on a Defendant Subject to an Undischarged Term of Imprisonment)

Synopsis of Proposed Amendment: *This is a three part proposed amendment that addresses a number of issues in §5G1.3 (Imposition of a Sentence on a Defendant Subject to an Undischarged Term of Imprisonment). First, the amendment amends §5G1.3(b) to allow the court to adjust the length of the sentence for any prior period of imprisonment that "resulted from offenses that have been fully taken into account in the determination of the offense level for the instant offense". Currently, this subsection only applies to undischarged terms of imprisonment for any such prior period of imprisonment. As a conforming amendment, the proposed amendment deletes the downward departure provision in Application Note 7 for prior discharged terms of imprisonment.*

In addition to adding discharged terms of imprisonment to the operation of subsection (b), this amendment proposes two options to clarify the rule for application of subsection (b) to a prior term of imprisonment. There has been litigation regarding what "fully taken into account" means. See United States v. Garcia-Hernandez, 237 F.3d 105, 109 (2d Cir. 2000) (determining that a prior offense is "fully taken into account" if and only if the Guidelines provide for sentencing as if both the offense of conviction and the separate offense had been prosecuted in a single proceeding); United States v. Caraballo, 200 F.3d 20, 25 (1st Cir. 1999) (holding that the term "fully" cannot be read as synonymous with the term "relevant conduct" because this would be over-inclusive). Compare United States v. Fuentes, 107 F.3d 1515, 1524 (11th Cir. 1997) (finding that a prior offense has been "fully taken into account" when the prior offense is part of the same course of conduct, common scheme, or plan). Option One makes clear that subsection (b) shall apply only to prior offenses that are relevant conduct to the instant offense of conviction and that resulted in an increase in the offense level for the instant offense. Option Two makes clear that subsection (b) shall apply in cases in which the conduct of the prior offense is (1) incorporated in the base offense level for the instant offense, (2) covered by a specific offense characteristic in the guideline for the instant offense, or (3) covered by a Chapter Three adjustment applicable to the instant offense. Option Two does not require that the Chapter Two or Three offense level necessarily be increased by the prior offense.

This proposed amendment provides two options to address how this guideline applies in cases in which an instant offense committed while the defendant is on federal or state probation, parole, or supervised release, and has had such probation, parole, or supervised release revoked. In doing so, this amendment resolves a circuit conflict on the issue. The majority of circuits to consider the issue have held that imposition of consecutive sentence is required by Application Note 6. See, e.g., United States v. Smith, 282 F.3d 1045, 1048 (8th Cir. 2002) (stating that Application Note 6 requires consecutive sentences); United States v. Alexander, 100 F.3d 24, 27 (5th Cir. 1996) (same); United States v. Gondek, 65 F.3d 1, 3 (1st Cir. 1995) (same); United States v. Bernard, 48 F.3d 427, 431-32 (9th Cir. 1995) (same). See also United States v. Campbell, No. 01-5661, 2002 U.S. App. LEXIS 23024 (6th Cir., Nov. 6, 2002) (affirming imposition of consecutive sentence as consistent with guideline commentary); United States v. Walker, 98 F.3d 944, 945 (7th Cir. 1996) (noting a strong presumption in favor of consecutive sentence). Three circuits, however, have disagreed. The second, third, and tenth circuits held that the word "should" in Application Note 6 renders the commentary non-binding. See United States v. Maria, 186 F.3d 65, 70-73 (2d Cir. 1999); United States v. Swan, 275 F.3d 272, 279-83 (3d Cir. 2002); United States v. Tisdale, 248 F.3d 964, 977-79 (10th Cir. 2001). Under Option One A, the sentence for the instant offense shall be imposed to run consecutively to the undischarged term of imprisonment. Option One B maintains the current language in Application Note 6 which provides that the sentence for the instant offense should run consecutively to the undischarged term of imprisonment.

Finally, an issue for comment is provided regarding whether the Commission should resolve a circuit split with respect to §5G1.3(c) and whether the sentencing court may grant "credit" for time served in state prison for an undischarged sentence, in addition to running the federal sentence concurrently with the

remaining portion of the defendant's preexisting state sentence. *Compare Ruggiano v. Reish*, 307 F.3d 121 (3d Cir. 2002) (federal sentencing court may grant such credit), with *United States v. Fermin*, 252 F.3d 102 (2d Cir. 2001) (court may not grant such credit).

Proposed Amendment:

Option One:

§5G1.3. Imposition of a Sentence on a Defendant Subject to an Undischarged or Discharged Term of Imprisonment

- [Option One A:**
- (a) If the instant offense was committed while the defendant was (1) serving a term of imprisonment (including work release, furlough, or escape status) or after sentencing for, but before commencing service of, such term of ~~imprisonment~~, imprisonment; or (2) on federal or state probation, parole, or supervised release at the time of the instant offense, and has had such probation, parole, or supervised release revoked, the sentence for the instant offense shall be imposed to run consecutively to the undischarged term of imprisonment.]
 - (b) ~~If subsection (a) does not apply, and the undischarged term of imprisonment resulted from offense(s) that have been fully taken into account in the determination of the offense level for the instant offense, the sentence for the instant offense shall be imposed to run concurrently to the undischarged term of imprisonment.~~
 - (b) If subsection (a) does not apply, and a term of imprisonment resulted from another offense that (1) is relevant conduct to the instant offense of conviction under the provisions of subsections (a)(1), (a)(2), or (a)(3) of §1B1.3 (Relevant Conduct); and (2) was the basis for an increase in the offense level for the instant offense under Chapter Two (Offense Conduct) or Chapter Three (Adjustments), the sentence for the instant offense shall be imposed as follows:
 - (A) If the term of imprisonment for that other offense is undischarged—
 - (i) the court [may][shall] adjust the sentence for any period of imprisonment already served on the undischarged term of imprisonment if the court determines that such period of imprisonment will not be credited to the federal sentence by the Bureau of Prisons; and
 - (ii) the sentence for the instant offense shall be imposed to run concurrently to the undischarged term of imprisonment.
 - (B) If the term of imprisonment is discharged, the court [may][shall] adjust the sentence for any period of imprisonment already served.

Commentary

Application Notes:

~~1. Consecutive sentence - subsection (a) cases. Under subsection (a), the court shall impose a consecutive sentence when the instant offense was committed while the defendant was serving an undischarged term of imprisonment or after sentencing for, but before commencing service of, such term of imprisonment.~~

1. Revocations under Subsection (a).—In a case in which the defendant was on federal or state probation, parole, or supervised release at the time of the instant offense, and has had such probation, parole, or supervised release revoked, the sentence for the instant offense shall be imposed to run consecutively to the term imposed for the violation of probation, parole, or supervised release in order to provide an incremental penalty for the violation of probation, parole, or supervised release. See subsection (f) of §7B1.3 (Revocation of Probation or Supervised Release).].

~~2. Adjusted concurrent sentence - subsection (b) cases. When a sentence is imposed pursuant to subsection (b), the court should adjust the sentence for any period of imprisonment already served as a result of the conduct taken into account in determining the guideline range for the instant offense if the court determines that period of imprisonment will not be credited to the federal sentence by the Bureau of Prisons. Example: The defendant is convicted of a federal offense charging the sale of 30 grams of cocaine. Under §1B1.3 (Relevant Conduct), the defendant is held accountable for the sale of an additional 15 grams of cocaine, an offense for which the defendant has been convicted and sentenced in state court. The defendant received a nine-month sentence of imprisonment for the state offense and has served six months on that sentence at the time of sentencing on the instant federal offense. The guideline range applicable to the defendant is 10-16 months (Chapter Two offense level of 14 for sale of 45 grams of cocaine; 2-level reduction for acceptance of responsibility; final offense level of 12; Criminal History Category I). The court determines that a sentence of 13 months provides the appropriate total punishment. Because the defendant has already served six months on the related state charge as of the date of sentencing on the instant federal offense, a sentence of seven months, imposed to run concurrently with the three months remaining on the defendant's state sentence, achieves this result. For clarity, the court should note on the Judgment in a Criminal Case Order that the sentence imposed is not a departure from the guideline range because the defendant has been credited for guideline purposes under §5G1.3(b) with six months served in state custody that will not be credited to the federal sentence under 18 U.S.C. § 3585(b).~~

2. Subsection (b) Cases.—

(A) In General.— Subsection (b) applies in cases in which (i) all of the prior offense is relevant conduct to the instant offense under the provisions of subsection (a)(1), (a)(2), or (a)(3) of §1B1.3 (Relevant Conduct); and (ii) such prior offense has resulted in an increase in the Chapter Two or Chapter Three offense level for the instant offense. Cases in which only part of the prior offense is relevant conduct to the instant offense are covered under subsection (c).

(B) Inapplicability of Subsection (b).—Subsection (b) does not apply in cases in which the prior offense increased the Chapter Two or Chapter Three offense level for the instant offense, but was not relevant conduct to the instant offense under §1B1.3(a)(1), (a)(2), or (a)(3) (e.g., the prior offense is an aggravated felony for which the defendant received an increase under §2L1.2 (Unlawfully Entering or Remaining in the United States), or the prior offense was

a crime of violence for which the defendant received an increased base offense level under §2K2.1 (Unlawful Receipt, Possession, or Transportation of Firearms or Ammunition; Prohibited Transactions Involving Firearms or Ammunition)).

- (C) *Imposition of Sentence.—If subsection (b) applies, the court should note on the judgment order (i) the amount of time by which the sentence is being adjusted; (ii) the undischarged or discharged term of imprisonment for which the adjustment is being given; and (iii) that the sentence imposed is a "sentence reduction pursuant to §5G1.3(b), Application Note 2(C), for a period of imprisonment which will not be credited by the Bureau of Prisons."*
- (D) *Examples.—The following are examples in which subsection (b) applies and an adjustment to the sentence is appropriate:*
- (i) *The defendant is convicted of a federal offense charging the sale of 40 grams of cocaine. Under §1B1.3, the defendant is held accountable for the sale of an additional 15 grams of cocaine, an offense for which the defendant has been convicted and sentenced in state court. The defendant received a nine-month sentence of imprisonment for the state offense and has served six months on that sentence at the time of sentencing on the instant federal offense. The guideline range applicable to the defendant is 12-18 months (Chapter Two offense level of 16 for sale of 55 grams of cocaine; 3-level reduction for acceptance of responsibility; final offense level of 13; Criminal History Category I). The court determines that a sentence of 13 months provides the appropriate total punishment. Because the defendant already has served six months on the related state charge as of the date of sentencing on the instant federal offense, a sentence of seven months, imposed to run concurrently with the three months remaining on the defendant's state sentence, achieves this result.*
- (ii) *The defendant is convicted of a federal offense charging the sale of 150 grams of cocaine. Under §1B1.3, the defendant is held accountable for the sale of an additional 50 grams of cocaine, an offense for which the defendant has been convicted and sentenced in state court. The state term was discharged after the defendant served 6 months of imprisonment. The guideline range applicable to the defendant is 24-30 months (Chapter Two offense level of 20 for sale of 200 grams of cocaine; 3-level reduction for acceptance of responsibility; final offense level of 17; Criminal History Category I). The court determines that a sentence of 24 months provides the appropriate total punishment. Because the defendant already has served six months on the discharged state term, a sentence of 18 months on the instant offense achieves this result.*

[Option One B would maintain current Application Note 6 of the Commentary to §5G1.3 as follows:

6. *Revocations. If the defendant was on federal or state probation, parole, or supervised release at the time of the instant offense, and has had such probation, parole, or supervised release revoked, the sentence for the instant offense should be imposed to run consecutively to the term imposed for the violation of probation, parole, or supervised release in order to provide an incremental penalty for the violation of probation, parole, or supervised release. See §7B1.3 (Revocation of Probation or Supervised Release) (setting forth a policy that any imprisonment penalty imposed for violating probation or supervised release should be consecutive to any sentence of imprisonment being served or subsequently imposed).]*

7. ~~*Downward Departure Provision.*~~ ~~*In the case of a discharged term of imprisonment, a downward departure is not prohibited if subsection (b) would have applied to that term of imprisonment had the term been undischarged. Any such departure should be fashioned to achieve a reasonable punishment for the instant offense.*~~

Option Two:

§5G1.3. Imposition of a Sentence on a Defendant Subject to an Undischarged or Discharged Term of Imprisonment

[Option TwoA: (a) If the instant offense was committed while the defendant was (1) serving a term of imprisonment (including work release, furlough, or escape status) or after sentencing for, but before commencing service of, such term of ~~imprisonment;~~ imprisonment; or (2) on federal or state probation, parole, or supervised release at the time of the instant offense, and has had such probation, parole, or supervised release revoked, the sentence for the instant offense shall be imposed to run consecutively to the undischarged term of imprisonment.]

~~(b) If subsection (a) does not apply, and the undischarged term of imprisonment resulted from offense(s) that have been fully taken into account in the determination of the offense level for the instant offense, the sentence for the instant offense shall be imposed to run concurrently to the undischarged term of imprisonment:~~

(b) If subsection (a) does not apply, and a term of imprisonment resulted from another offense that is covered by the applicable Chapter Two guideline or an applicable Chapter Three adjustment for the instant offense of conviction, the sentence for the instant offense shall be imposed as follows:

(1) If the term of imprisonment for that other offense is undischarged—

(A) the court [may][shall] adjust the sentence for any period of imprisonment already served on the undischarged term of imprisonment if the court determines that such period of imprisonment will not be credited to the federal sentence by the Bureau of Prisons; and

(B) the sentence for the instant offense shall be imposed to run concurrently to the undischarged term of imprisonment.

(2) If the term of imprisonment is discharged, the court [may][shall] adjust the sentence for any period of imprisonment already served.

~~2. Adjusted concurrent sentence - subsection (b) cases. When a sentence is imposed pursuant to subsection (b), the court should adjust the sentence for any period of imprisonment already served as a result of the conduct taken into account in determining the guideline range for the instant offense if the court determines that period of imprisonment will not be credited to the federal sentence by the Bureau of Prisons. Example. The defendant is convicted of a federal offense charging the sale of 30 grams of cocaine. 2. Subsection (b) Cases.—

(A) In General.—Subsection (b) applies in cases in which the conduct comprising all of the prior offense is covered by the applicable Chapter Two guideline or an applicable Chapter Three adjustment for the instant offense of conviction. Such conduct is covered by the Chapter Two guideline or a Chapter Three adjustment if the conduct is (i) incorporated in the base offense level for the instant offense of conviction; (ii) covered by a specific offense characteristic in the guideline for the instant offense of conviction; or (iii) covered by a Chapter Three adjustment applicable to the instant offense of conviction. Cases in which only part of the prior offense is covered are addressed under subsection (c).

(B) Inapplicability of Subsection (b).—Subsection (b) does not apply in cases in which the base offense level or the specific offense characteristic in the applicable Chapter Two offense guideline is an enhancement for a prior conviction (e.g., the prior offense is an aggravated felony for which the defendant received an increase under §2L1.2 (Unlawfully Entering or Remaining in the United States), or the prior offense was a crime of violence for which the

defendant received an increased base offense level under §2K2.1 (Unlawful Receipt, Possession, or Transportation of Firearms or Ammunition; Prohibited Transactions Involving Firearms or Ammunition)).

- (C) *Imposition of Sentence.—If subsection (b) applies, the court should note on the judgment order (i) the amount of time by which the sentence is being adjusted; (ii) the undischarged or discharged term of imprisonment for which the adjustment is being given; and (iii) that the sentence imposed is a "sentence reduction pursuant to §5G1.3(b), Application Note 2(C), for a period of imprisonment which will not be credited by the Bureau of Prisons."*
- (D) *Examples.—The following are examples in which subsection (b) applies and an adjustment to the sentence is appropriate:*
- (i) *The defendant is convicted of a federal offense charging the sale of 30 grams of cocaine. Under §1B1.3, the defendant is held accountable for the sale of an additional 15 grams of cocaine, an offense for which the defendant has been convicted and sentenced in state court. Because the defendant already has served six months on the related state charge as of the date of sentencing on the instant federal offense, a sentence of seven months, imposed to run concurrently with the three months remaining on the defendant's state sentence, achieves this result.*
- (ii) *The defendant is convicted of a federal offense charging the sale of 150 grams of cocaine. Under §1B1.3, the defendant is held accountable for the sale of an additional 50 grams of cocaine, an offense for which the defendant has been convicted and sentenced in state court. The state term was discharged after the defendant served 6 months of imprisonment. The guideline range applicable to the defendant is 24-30 months (Chapter Two offense level of 20 for sale of 200 grams of cocaine; 3-level reduction for acceptance of responsibility; final offense level of 17; Criminal History Category I). The court determines that a sentence of 24 months provides the appropriate total punishment. Because the defendant already has served six months on the discharged state term, a sentence of 18 months on the instant offense achieves this result.*

[Option Two B would maintain current Application Note 6 of the Commentary to §5G1.3 as follows:

6. *Revocations. If the defendant was on federal or state probation, parole, or supervised release at the time of the instant offense, and has had such probation, parole, or supervised release revoked, the sentence for the instant offense should be imposed to run consecutively to the term imposed for the violation of probation, parole, or supervised release in order to provide an incremental penalty for the violation of probation, parole, or supervised release. Any such departure should be fashioned to achieve a reasonable punishment for the instant offense.~~

Issue for Comment: *The Commission requests comment on whether it should resolve a circuit split with respect to §5G1.3(c) and whether the sentencing court may grant "credit" for time served in state prison for an undischarged sentence, in addition to running the federal sentence concurrently with the remaining portion of the defendant's preexisting state sentence. Compare Ruggiano v. Reish, 307 F.3d 121 (3d Cir. 2002) (federal sentencing court may grant such credit), with United States v. Fermin, 252 F.3d 102 (2d Cir. 2001) (court may not grant such credit). If so, how should this apparent conflict be resolved?*

6. Miscellaneous Amendments

Synopsis of Proposed Amendment: *This proposed amendment makes technical and conforming changes to various guideline provisions. The proposed amendment accomplishes the following:*

- (1) *Amends §1B1.1 (Application Instructions) to (A) provide an instruction that makes clear that the application instructions are to be applied in the order presented in the guideline; (B) amend Application Note 4 to make clear that, absent an instruction to the contrary, multiple specific offense characteristics (or a Chapter Two specific offense characteristic and a Chapter Three adjustment) that are triggered by the same conduct are to be applied cumulatively; and (C) provide an application note concerning the use of abbreviated guideline titles to ease reference to guidelines that have exceptionally long titles.*
- (2) *Restructures the definitions of "prohibited sexual conduct" in §§2A3.1 (Criminal Sexual Abuse) and 4B1.5 (Repeat and Dangerous Sex Offender Against Minors) to eliminate possible ambiguity regarding the interaction of "means" and "includes".*
- (3) *Amends the definition of "child pornography" in §§2A3.1 and 4B1.5, and the definition of "visual depiction" in §2G2.4 (Possession of Materials Depicting Minor Engaged in Sexually Explicit Conduct), in light of Ashcroft v. The Free Speech Coalition, et al., 122 S.Ct. 1389 (2002).*
- (4) *(A) Amends §2D1.11 (Unlawfully Distributing, Importing, Exporting or Possessing a Listed Chemical) by: (i) providing a maximum base offense level of 30 if the defendant receives an adjustment under §3B1.2 (Mitigating Role) and providing a two level reduction if the defendant meets the criteria of subdivisions (1) through (5) of subsection (a) of §5C1.2 (Limitation on Applicability of Statutory Minimum Sentences in Certain Cases) to conform this guideline to §2D1.1 (Drug Trafficking), which was amended last amendment cycle; (ii) adding red phosphorus to the Chemical Quantity Table in response to a recent classification of red phosphorus as a List I chemical; and (B) provides an issue for comment regarding the penalties for oxycodone generally and a brand named pill containing oxycodone known as Oxycontin.*
- (5) *Amends the departure provision in Application Note 6 of §2G2.1 (Sexually Exploiting a Minor by Production of Sexually Explicit Visual or Printed Material; Custodian Permitting Minor to Engage in Sexually Explicit Conduct; Advertisement for Minors to Engage in Production) to conform to Application Note 12 of §2G1.1 (Promoting Prostitution or Prohibited Sexual Conduct).*
- (6) *Amends subsection (b)(5) of §2G2.2 (Trafficking in Material Involving the Sexual Exploitation of a Minor; Receiving, Transporting, Shipping, or Advertising Material Involving the Sexual Exploitation of a Minor; Possessing Material Involving the Sexual Exploitation of a Minor with Intent to Traffic) to include receipt and distribution in the enhancement for use of a computer. Currently the enhancement only applies to offenses in which a computer was used for the transmission of child pornography.*
- (7) *Responds to new legislation and makes other technical amendments as follows:*
 - (a) *Amends Appendix A (Statutory Index) and §2N2.1 (Violations of Statutes and Regulations Dealing with any Food, Drug, Biological Product, Device, Cosmetic, or Agricultural Product) in response to new offenses created by the Farm Security*

and Rural Investment Act of 2002 (the "Act"), Pub. L. 107–171. The first new offense provides a statutory maximum of one year for violating the Animal Health Protection Act (Subtitle E of the Act), or for counterfeiting or destroying certain documents specified in the Animal Health Protection Act. The second new offense provides a statutory maximum term of imprisonment of five years for importing, entering, exporting, or moving any animal or article for distribution or sale. The Act also provides a statutory maximum of 10 years for a subsequent violation of either offense.

- (b) *Amends Appendix A (Statutory Index) and §2B1.1 in response to a new offense (19 U.S.C. § 2401f) created by the Trade Act of 2002, Pub. L. 107–210. The new offense provides a statutory maximum term of imprisonment of one year for knowingly making a false statement of material fact for the purpose of obtaining or increasing a payment of federal adjustment assistance to qualifying agricultural commodity producers.*
- (c) *Amends Appendix A (Statutory Index) and §§2C1.3 (Conflict of Interest; Payment or Receipt of Unauthorized Compensation) and 2K2.5 (Possession of Firearm or Dangerous Weapon in Federal Facility; Possession or Discharge of Firearm in School Zone) in response to the codification of title 40, United States Code, by Pub. L. 107–217. Section 5104(e)(1) of title 40, United States Code, prohibits anyone (except as authorized by the Capitol Police Board) from carrying or having readily accessible a firearm, dangerous weapon, explosive, or an incendiary device on the Capitol Grounds or in any of the Capitol Buildings. The statutory maximum term of imprisonment is five years. The proposed amendment references 40 U.S.C. § 5104(e)(1) to §2K2.5. Section 14309(a) of title 40, United States Code, prohibits certain conflicts of interests of members of the Appalachian Regional Commission and provides a statutory maximum term of imprisonment penalty of two years. Section 14309(b) prohibits certain additional sources of salary and provides a statutory maximum term of imprisonment of not more than one year. The proposed amendment references 40 U.S.C. § 14309(a) and (b) to §2C1.3.*
- (d) *Amends Appendix A (Statutory Index) and §2H2.1 (Obstructing an Election or Registration) to provide a guideline reference for offenses under 18 U.S.C. § 1015(f). Currently, 18 U.S.C. § 1015 generally is referenced to §§2B1.1 (Larceny, Embezzlement, and Other Forms of Theft; Offenses Involving Stolen Property; Property Damage or Destruction; Fraud and Deceit; Forgery; Offenses Involving Altered or Counterfeit Instruments Other than Counterfeit Bearer Obligations of the United States), 2J1.3 (Perjury or Subornation of Perjury; Bribery of Witness), 2L2.1 (Trafficking in a Document Relating to Naturalization, Citizenship, or Legal Resident Status), and 2L2.2 (Fraudulently Acquiring Documents Relating to Naturalization, Citizenship, or Legal Resident Status for Own Use). However, 18 U.S.C. 1015(f) specifically relates to knowingly making false statements in order to register to vote, or to vote, in a Federal, State, or local election. The proposed amendment references 18 U.S.C. § 1015(f) to §2H2.1 (Obstructing an Election or Registration).*

Proposed Amendment:

- (1) Provides an Instruction in §1B1.1 (Application Instructions) That Makes Clear That the Application Instructions Are to Be Applied in the Order Presented in the Guideline; Amends**

Application Note 4 to Make Clear That Multiple Specific Offense Characteristics (or a Chapter Two Specific Offense Characteristic and a Chapter Three Adjustment) Which Are Triggered by the Same Conduct Are to Be Applied Cumulatively; Provides New Application Note Regarding Use of Short Titles in Guidelines

§1B1.1. **Application Instructions.**—Except as specifically directed, the provisions of this manual are to be applied in the following order:

Commentary

Application Notes:

* * *

~~4. The offense level adjustments from more than one specific offense characteristic within an offense guideline are cumulative (added together) unless the guideline specifies that only the greater (or greatest) is to be used. Within each specific offense characteristic subsection, however, the offense level adjustments are alternative; only the one that best describes the conduct is to be used. E.g., in §2A2.2(b)(3), pertaining to degree of bodily injury, the subdivision that best describes the level of bodily injury is used; the adjustments for different degrees of bodily injury (subdivisions (A)-(E)) are not added together.~~

4. (A) Specific Offense Characteristics.—The offense level adjustments from more than one specific offense characteristic within an offense guideline are applied cumulatively (added together) unless the guideline specifies that only the greater (or greatest) is to be used. Within each specific offense characteristic subsection, however, the offense level adjustments are alternative; only the one that best describes the conduct is to be used. For example, in §2A2.2(b)(3), pertaining to degree of bodily injury, the subdivision that best describes the level of bodily injury is used; the adjustments for different degrees of bodily injury (subdivisions (A)-(E)) are not added together.

(B) Adjustments from Different Guideline Sections.—Absent an instruction to the contrary, the adjustments from different guideline sections are applied cumulatively (added together). In some cases, such adjustments (e.g., a Chapter Two specific offense characteristic and a Chapter Three [or Chapter Four] adjustment) may be triggered by the same conduct, but are meant to take into account different aspects of that conduct. For example, shooting a police officer during the commission of a robbery may warrant an injury enhancement under §2B3.1(b)(3) and an official victim enhancement under §3A1.2, even though both enhancements are triggered by the shooting of the officer. Section 2B3.1(b)(3) accounts for the injury to the police officer, while §3A1.2(a) accounts for the official status of the victim.

(7) Whenever a guideline makes reference to another guideline, a parenthetical restatement of that other guideline's heading accompanies the initial reference to that other guideline. This parenthetical is provided only for the convenience of the reader and is not intended to have substantive effect. In the case of lengthy guideline headings, such a parenthetical restatement of the guideline heading may be abbreviated for ease of reference. For example, references to §2B1.1 (Larceny,

Embezzlement, and Other Forms of Theft; Offenses Involving Stolen Property; Property Damage or Destruction; Fraud and Deceit; Forgery; Offenses Involving Altered or Counterfeit Instruments Other than Counterfeit Bearer Obligations of the United States) may be abbreviated as follows: §2B1.1 (Theft, Fraud, and Property Destruction).

§2A3.1. **Criminal Sexual Abuse; Attempt to Commit Criminal Sexual Abuse**

7. *Applicability of Subsection (b)(4).—The applicability of subsection (b)(4) shall be determined without regard to whether the defendant was convicted of an offense that subjects the defendant to a mandatory minimum term of imprisonment. Section §5C1.2(b), which provides a minimum offense level of level 17, is not pertinent to the determination of whether subsection (b)(4) applies.*

(4)(B) Issue for Comment on Oxycodone

Issue for Comment: *The Commission requests comment regarding the penalties for oxycodone generally and a brand named prescription drug containing oxycodone known as Oxycontin. Currently, the Drug Equivalency Tables in §2D1.1 (Unlawful Manufacturing, Importing, Exporting, or Trafficking (Including Possession with Intent to Commit These Offenses); Attempt or Conspiracy) provide a marijuana equivalency of 500 grams for one gram of a mixture of substance containing oxycodone. Recently, however, drug enforcement has reported an increase in trafficking of the prescription drug Oxycontin, which contains higher than historical amounts of oxycodone but weighs substantially less than other prescription drugs containing oxycodone. Consequently, a defendant convicted of trafficking in certain prescription drugs containing smaller amounts of oxycodone relative to the total weight of the pill may receive a higher sentence than a defendant convicted of trafficking in larger amounts of Oxycontin.*

How should the Commission address the weight differential and the resulting sentencing disparity? Should the equivalency for oxycodone be reevaluated? Should the Commission amend the Drug Equivalency Tables in §2D1.1 to provide a separate marihuana equivalency for Oxycontin, notwithstanding that the guidelines do not otherwise provide specific penalties for brand name drugs? If so, what should that marihuana equivalency be?

Alternatively, should the Commission sentence oxycodone defendants based on the purity of the prescription drug involved (an approach currently used in sentencing methamphetamine and amphetamine defendants)? This approach may require amending the Drug Quantity Tables in §2D1.1 to provide separate penalties for oxycodone (actual) and oxycodone (mixture). Oxycontin additionally has a time release element that can be eliminated simply by crushing or breaking the pill, increasing the immediate effect for the user. Should the Commission provide an enhancement for trafficking in pills that have a time release element?

7. Involuntary Manslaughter

Synopsis of Proposed Amendment: *This proposed amendment is a continuation of the Commission's work over the past several years to ensure that the guidelines provide appropriate guideline penalties for offenses involving involuntary manslaughter. In 1994, Congress increased the statutory maximum penalty for involuntary manslaughter offenses from three years' to six years' imprisonment after receiving a Commission report analyzing federal criminal penalties and recommending that the statutory maximum penalty for involuntary manslaughter be increased to six years. Studies have shown that the heartland of involuntary manslaughter offenses involves vehicular homicide and that these offenses are punished more severely by many of the States. The Commission further examined both voluntary and involuntary manslaughter offenses in 1997, and in 1998 sent a report and letter to Congress recommending that the statutory maximum penalty for voluntary manslaughter offenses be increased to permit the Commission to make changes that would maintain proportionality based on offense severity. Although no action has been taken on that recommendation, the Commission has received recommendations from Congress and the Department of Justice that it proceed to amend the guidelines for involuntary manslaughter to increase the base offense levels. Accordingly, this proposed amendment increases the base offense levels for involuntary manslaughter by [2][4][6] levels. An issue for comment follows that generally seeks the public's input regarding the appropriate offense levels for involuntary manslaughter offenses, including (with a view toward proportionate sentencing) the appropriate offense levels for involuntary manslaughter offenses compared to offense levels for aggravated assault.*

Proposed Amendment:

§2A1.4. Involuntary Manslaughter

(a) Base Offense Level:

- (1) ~~10~~[12][14][16], if the conduct was criminally negligent; or
- (2) ~~14~~[16][18][20], if the conduct was reckless.

Issue for Comment: *The Commission requests comment generally on the appropriate offense levels for offenses involving involuntary manslaughter. In addition, the Commission requests comment regarding the appropriate and proportionate offense levels for involuntary manslaughter compared to offense levels for aggravated assault under §2A2.2 (Aggravated Assault). Currently, the base offense level for aggravated assault is level 15, and the guideline contains several enhancements, such as enhancements for bodily injury. As a consequence, the guideline penalties for aggravated assault currently are more serious than those for involuntary manslaughter.*

8. Cybersecurity

Issue for Comment: *Section 225 of the Homeland Security Act of 2002 (the Cyber Security Enhancement Act of 2002), Pub. L. 107–296, directs the Commission to review and amend, if appropriate, the sentencing guidelines and policy statements applicable to persons convicted of an offense under section 1030 of title 18, United States Code, to ensure that the sentencing guidelines and policy statements reflect the serious nature of such offenses, the growing incidence of such offenses, and the need for an effective deterrent and appropriate punishment to prevent such offenses.*

The directive also includes a number of factors for the Commission to consider, including the potential and actual loss resulting from the offense, the level of sophistication and planning involved in the offense, whether the offense was committed for purposes of commercial advantage or private financial benefit, whether the defendant acted with malicious intent to cause harm in committing the offense, the extent to which the offense violated the privacy rights of individuals harmed, whether the offense involved a computer used by the government in furtherance of national defense, national security, or the administration of justice, whether the violation was intended to, or had the effect of, significantly interfering with or disrupting critical infrastructure, and whether the violation was intended to, or had the effect of, creating a threat to public health or safety, or injury to any person.

The Commission requests comment regarding how it should respond to this directive.

9. Offenses Involving Body Armor and Assault Against a Federal Judge

Issues for Comment:

1. *Section 11009 of the 21st Century Department of Justice Appropriations Authorization Act (the "Act"), Pub. L. 107–273, directs the Sentencing Commission to review and amend the sentencing guidelines, as appropriate, to provide an appropriate sentencing enhancement for any crime of violence (as defined in 18 U.S.C. § 16) or drug trafficking crime (as defined in 18 U.S.C. § 924(c) (including a crime of violence or drug trafficking crime that provides for an enhanced punishment if committed by the use of a deadly or dangerous weapon or device) in which the defendant used body armor. The Act further states that it is the sense of Congress that any such enhancement should be at least two levels. The Commission requests comment regarding how it should respond to this directive. For example, should the Commission provide a Chapter Three adjustment for the use of body armor in any crime of violence or drug trafficking crime? Alternatively, should the Commission provide a specific offense characteristic in all relevant Chapter Two guidelines (e.g., §2D1.1 (Unlawful Manufacturing, Importing, Exporting, or Trafficking (Including Possession with Intent to Commit These Offenses); Attempt or Conspiracy)) that would apply if the defendant used body armor in the course of the offense?*

What would be an appropriate increase for the use of body armor if the Commission provides a Chapter Three adjustment or a specific offense characteristic in the relevant Chapter Two guidelines?

2. *Section 11008 of the Act directs the Commission to review and amend, if appropriate, the guidelines or policy statements to provide an appropriate enhancement for offenses involving influencing, assaulting, resisting, impeding, retaliating against, or threatening a Federal judge, magistrate judge, or any other official described in 18 U.S.C. § 111 or § 115. The directive also contains a number of factors for the Commission to consider, including the range of conduct covered by the offenses, the existing sentence for the offense, the extent to which the guidelines for these offenses have been constrained by statutory maximum penalties, and the adequacy of the guidelines to ensure punishment at or near the maximum penalty for the most egregious conduct covered by the offense. The Act also increases the statutory maximum terms of imprisonment for the following offenses: for threatened assaults under 18 U.S.C. § 115 (Influencing, impeding, or retaliating against a Federal official by threatening or injuring a family member), from three years to six years; for all other threats made in violation of 18 U.S.C. § 115, from five years to ten years; for a violation of 18 U.S.C. § 111 (Assaulting, resisting, or impeding certain officers or employees), from three years to eight years; and for the use of a dangerous weapon or inflicting bodily injury in the commission of an offense under 18 U.S.C. § 111, from ten to 20 years.*

Appendix A (Statutory Index) references 18 U.S.C. § 111 to §§2A2.2 (Aggravated Assault) and 2A2.4 (Obstructing or Impeding Officers). These guidelines have base offense levels of 15 and 6, respectively. Section 115 of title 18, United States Code, is referenced to, among other guidelines, §§2A2.1 (Assault with Intent to Commit Murder; Attempted Murder), 2A2.2, and 2A2.3 (Minor Assault). The base offense level for §2A2.1 is level 28 (if the object of the offense would have constituted first degree murder) or level 22. The base offense level for §2A2.3 is level 6 (if the conduct involved physical contact, or if a dangerous weapon was possessed or its use was threatened) or level 3.

Given the directive, the factors to consider, and the increases in the statutory maximum penalties, the Commission requests comment regarding the following:

- (A) *Should the Commission provide an enhancement in the assault guidelines for offenses involving influencing, assaulting, resisting, impeding, retaliating against, or threatening a Federal judge, magistrate judge, or any other official described in 18 U.S.C. § 111 or § 115? If so, what would be an appropriate increase for such enhancement? Are there additional, related enhancements that the Commission should provide in the assault guidelines, particularly given the directive to consider providing sentences at or near the statutory maximum for the most egregious cases?*
- (B) *Do the current base offense levels in each of the assault guidelines provide adequate punishment for the covered conduct? If not, what would be appropriate base offense levels for §§2A2.2, 2A2.3, and 2A2.4?*
- (C) *Should the Commission consider more comprehensive amendments to the assault guidelines as part of, or in addition to, its response to the directives? For example, should the Commission consolidate §§2A2.3 and 2A2.4? Should the Commission amend §2A2.3(b)(1) to provide a two level enhancement for bodily injury? Some commentators have argued that such an amendment would bring the minor and aggravated assault guidelines more in line with one another because there may be cases in which an assault that does not qualify as an aggravated assault under §2A2.2 nevertheless involves bodily injury. Are there any other application issues pertaining to the assault guidelines that the Commission should address?*
