¹Of the 48,848 cases, the Commission received complete guideline application information for 41,737. Of these, 1,368 achieved career offender or armed career offender status. Additional cases were excluded for the following reasons: missing primary offense category (37), missing career offender information (418), and missing armed career criminal information (417). Descriptions of variables used in this table are provided in Appendix A. A description of career offender and armed career criminal adjustments can be found in USSG §4B1.1 and §4B1.4.
