<sup>1</sup>Of the 255 cases sentenced pursuant to Chapter Eight in FY1999, 151 cases involved offenses covered by the list of applicable guidelines in §8C1.2. For 59 of these 151 cases, the fine guidelines application data are missing or inapplicable due to guideline provisions such as a “preliminary determination of inability to pay fine” (§8C2.2). The total for each factor may add up to less than the overall total due to missing information for that variable. Descriptions of variables used in this table are provided in Appendix A. A description of Chapter Eight culpability factors can be found in USSG §8C2.5.
