

Figure H

**POSITION OF SENTENCE WITHIN SENTENCING RANGE
FOR SELECTED OFFENSES¹
Fiscal Year 2003**

¹Only offense types with over 300 cases were included in this figure. Departure cases are not included. See Table 1 for all offenses. An additional 1,735 cases were excluded from this figure due to the case having a completely truncated guideline range (i.e., the statutory minimum or maximum was completely outside of the guideline range causing a sentencing point instead of a true range).
