

Figure H

POSITION OF SENTENCE WITHIN SENTENCING RANGE FOR
SELECTED OFFENSES¹

Fiscal Year 2004,
Post-Blakely (June 25, 2004, through September 30, 2004)

¹Only offense types with over 75 cases were included in this figure. Departure cases are not included. See Table 1 for all offenses. An additional 1,505 cases were excluded from this figure due to the case having a completely truncated guideline range (i.e., the statutory minimum or maximum was completely outside of the guideline range causing a sentencing point instead of a true range).
