¹Of the 18,203 cases, the Commission received complete guideline application information for 14,734 cases. Of these, 90 were excluded due to one or more of the following reasons: missing zone (13), missing sentencing information (31), or cases in which offender received no imprisonment or probation (46). The zones indicated above correspond to the offense levels and criminal history categories established by the court and do not indicate the impact of mandatory minimums or statutory maximums constricting the sentence. Descriptions of variables used in this table are provided in Appendix A.

²Prison/Community Split Sentence includes all cases in which offenders received prison and conditions of confinement as defined in USSC §5C1.1.
