

Figure H

**POSITION OF SENTENCE WITHIN SENTENCING RANGE FOR
SELECTED OFFENSES¹
Fiscal Year 2006**

¹Only offense types with over 250 cases were included in this figure. Departure cases are not included. See Table 29 for all offenses. An additional 1,951 cases were excluded from this figure due to the case having a completely truncated guideline range (i.e., the statutory minimum or maximum was completely outside of the guideline range causing a sentencing point instead of a true range).
