<sup>1</sup>Of the 199 cases sentenced pursuant to Chapter Eight, one was excluded due to missing information on type of economic sanction for cases in which orders were made. Mean and median dollar values include only cases with reported non-zero fine or restitution amounts. Note that the total column includes cases with no fine or restitution. Descriptions of variables used in this table are provided in Appendix A.

<sup>2</sup>In cases of joint and several fines or restitution orders, the full amount of each fine or restitution order is attributed to each offender, which may result in overinflation of the total amount of fines or restitution reported for all offenders.
