Total number of guidelines applied:								81,027	
Number of cases with at least one guideline applied:								72,180	

¹ Of the 80,035 cases, 7,855 were excluded due to missing guideline applied. The total for any guideline can exceed that for primary guideline because several guidelines may be applied in a case, but only one primary guideline. Descriptions of variables used in this table are provided in Appendix A.

² In 933 cases, the defendant was convicted of one or more counts of violating 18 U.S.C. § 1028A. By statute, the punishment for this crime must be served consecutively to any other punishment, therefore, in these 933 cases the conviction for this crime did not affect the guideline calculation for the underlying offense.

³ In 2,322 cases, the defendant was convicted of one or more counts of violating 18 U.S.C. § 924(c). By statute, the punishment for this crime must be served consecutively to any other punishment, therefore, in these 2,322 cases the conviction for this crime did not affect the guideline calculation for the underlying offense.
