Total number of guidelines applied:						70,549			
Number of cases with at least one guideline applied:						62,821			

¹ Of the 67,742 cases, 4,921 were excluded due to missing guideline applied. The total for any guideline can exceed that for primary guideline because several guidelines may be applied in a case, but only one primary guideline. For the 'As Any Guideline' section, each unique guideline is only counted once in a case. Descriptions of variables used in this table are provided in Appendix A.

² In 996 cases, the defendant was convicted of one or more counts of violating 18 U.S.C. § 1028A. By statute, the punishment for this crime must be served consecutively to any other punishment, therefore, in these 996 cases the conviction for this crime did not affect the guideline calculation for the underlying offense.

³ In 2,009 cases, the defendant was convicted of one or more counts of violating 18 U.S.C. § 924(c). By statute, the punishment for this crime must be served consecutively to any other punishment, therefore, in these 2,009 cases the conviction for this crime did not affect the guideline calculation for the underlying offense.
