	Male	1,791	83.3	1,012	85.5	250	76.0	426	85.4	103	74.1
	Female	359	16.7	171	14.5	79	24.0	73	14.6	36	25.9

¹ Of the 69,425 cases, 806 were excluded due to one or more of the following reasons: missing information on offender's age (57), missing information on offender's race (805), or information on offender's gender (135). Descriptions of variables used in this table are provided in Appendix A.

² Of the 2,121 offenders under 21, none involved an offender under the age of 18 at the time of sentencing.
