	Female	314	16.7	155	15.7	65	23.4	65	13.0	29	24.8

¹ Of the 64,565 cases, 742 were excluded due to one or more of the following reasons: missing information on offender's age (52), missing information on offender's race (731), or information on offender's gender (109). Descriptions of variables used in this table are provided in Appendix A.

² Of the 2,091 offenders under 21, none involved an offender under the age of 18 at the time of sentencing.
