<sup>1</sup> Of the 64,565 cases, 1,023 were excluded due to one or both of the following reasons: missing zone (788) or missing information on offender's citizenship status (281). The zones indicated above correspond to the offense levels and Criminal History Categories established by the court and do not indicate the impact of mandatory minimums penalties or statutory maximums penalties constricting the sentence. Descriptions of variables used in this table are provided in Appendix A.

<sup>2</sup> Alternatives include all cases in which offenders received conditions of confinement as described in USSG §5C1.1.
