Cases with indeterminable sentence terms are excluded from the calculation of the Mean Sentence or Median Sentence category. Sentences greater than 470 months and probation were included in the sentence average computations as 470 months and zero months, respectively. Cases in the Total Receiving Imprisonment, Total Receiving Probation, and Fine Only categories total 100 percent of all cases. Cases missing information required for a specific analysis were excluded from that analysis. Descriptions of variables used in this analysis are provided in Appendix A.
