¹ Of the 64,142 cases, in 2,956 the sentence was a downward departure from the guideline range, either due to a government motion for a departure (1,452) or a non-government departure (1,504). Due to an inability to calculate the extent of departure for cases with a guideline minimum of life, 28 offenders were excluded from this table. Also, 30 offenders were excluded due to several logical criteria. Sentences greater than 470 months and probation were included in the sentence average computations as 470 months and zero months, respectively. The information in this table includes conditions of confinement as described in USSG §5C1.1. Descriptions of variables used in this table are provided in Appendix A.
