¹ The information in this tables depicts information collected from only those cases in which complete guideline information is available. Of the 72,865 cases received by the Commission, 63,906 contained complete guideline information (87.7 percent). It is possible to have multiple guideline calculations for each case, and this table represents each guideline calculation for cases in which complete information was received.

² Fiscal Year 2007 data represents guideline application from guidelines effective November 1, 2006 unless otherwise specified.

³ The “Percent” column represents, for each Chapter 3 Adjustment, the frequency with which that adjustment was used in the calculation for the specific guideline.

⁴ Six of these offenders received a two level enhancement for Official Victim, which is less than that provided in the Guidelines, but the court determined that this was the proper level. These offenders were included in the total.

⁵ Two of these offenders received a one level enhancement for Aggravating Role, which is less than that provided in the Guidelines, but the court determined that this was the proper level. These offenders were included in the total.

⁶ Four of these offenders received a one level decrease for Mitigating Role, which is less than that provided in the Guidelines, but the court determined that this was the proper level. These offenders were included in the total.

⁷ Five of these offenders received a one level decrease for Acceptance of Responsibility, which is less than that provided in the Guidelines, but the court determined that this was the proper level. These offenders were included in the total.
