¹ The information in this tables depicts information collected from only those cases in which complete guideline information is available. Of the 76,478 cases received by the Commission, 67,894 contained complete guideline information (88.8 percent). It is possible to have multiple guideline calculations for each case, and this table represents each guideline calculation for cases in which complete information was received. Fiscal Year 2008 data represents guideline application from guidelines effective November 1, 2007 unless otherwise specified.

² The “Percent” column represents, for each Chapter 3 Adjustment, the frequency with which that adjustment was used in the calculation for the specific guideline.

³ Two of these offenders received a nine level enhancement for Official Victim, which is greater than that provided in the Guidelines, but the court determined that this was the proper level. These offenders were included in the total. One offender received a two level enhancement, which is less than that provided in the Guidelines, but the court determined that this was the proper level. This offender was included in the total.

⁴ One offender received a four level enhancement for Terrorism, which is less than that provided in the Guidelines, but the court determined that this was the proper level. This offender was included in the total.

⁵ Three of these offenders received a one level enhancement for Aggravating Role, which is less than that provided in the Guidelines, but the court determined that this was the proper level. These offenders were included in the total.

⁶ Four of these offenders received a one level decrease for Mitigating Role, which is less than that provided in the Guidelines, but the court determined that this was the proper level. These offenders were included in the total.
