¹ The information in this tables depicts information collected from only those cases in which complete guideline information is available. Of the 75,836 cases received by the Commission, 67,672 contained complete guideline information (89.2 percent). There were 21 cases in which the sentencing guideline was missing.

² Fiscal Year 2014 data represents guideline application from guidelines effective November 1, 2013 unless otherwise specified.

³ This column represents the number of times each guideline or Specific Offense Characteristic (SOC) was applied.

⁴ The "Percent" column represents, for each guideline, the portion of all guideline calculations in which the specific guideline was involved. For each SOC, the percent represents the frequency with which the SOC was used in the calculations for the specific guideline.

⁵ Base offense level was increased on November 1, 2004.
