All Remaining Cases Below Guideline Range ⁵	929	1.3	1	0.1

¹Of the 72,585 guideline cases, 2,398 were excluded. Some excluded cases involved certain Class A misdemeanors or other offenses which do not reference a sentencing guideline. In others, information was missing from the submitted documents that prevented the comparison of the sentence and the guideline range. Note that for this table, total percentages may not add up to exactly 100 percent due to rounding. Of the 702 cases from the District of Kansas, 10 cases were excluded.

²All cases with departures in which the court did not indicate as a reason either *U.S. v. Booker*, 18 U.S.C. § 3553, or a factor or reason specifically prohibited in the provisions, policy statements, or commentary of the *Guidelines Manual*.

³All cases sentenced outside of the guideline range in which the court indicated both a departure (see footnote 2) and a reference to either *U.S. v. Booker*, 18 U.S.C. § 3553, or related factors as a reason for sentencing outside of the guideline system.

⁴All cases sentenced outside of the guideline range in which no departure was indicated and in which the court cited *U.S. v. Booker*, 18 U.S.C. § 3553, or related factors as one of the reasons for sentencing outside of the guideline system.

⁵All cases sentenced outside of the guideline range that could not be classified into any of the three previous outside of the range categories. This category includes cases in which no reason was provided for a sentence outside of the guideline range.

⁶Cases in which a reason for the sentence indicated that the prosecution initiated, proposed, or stipulated to a sentence outside of the guideline range, either pursuant to a plea agreement or as part of a non-plea negotiation with the defendant.
