Sentences Relative to the Guideline Range

¹ Individuals in the custody of the Federal Bureau of Prisons as of September 27, 2025.

² Commission records could be matched to 132,371 of these individuals and were used for this analysis. Another 20,082 individuals in FBOP custody are pre-trial, sentenced in the courts of the District of Columbia, or military.

³ Cases with incomplete sentencing information were excluded from the analysis.

⁴ The 'Fentanyl' category includes both Fentanyl (N-phenyl-N-[1-(2-phenylethyl)-4-piperidinyl] Propanamide) and Fentanyl Analogue.

⁵ See e.g., USSG §2D1.1(b)(1). This enhancement applies if the weapon is present, unless it is clearly improbable that the weapon was connected to the offense. The government is not required to prove that the individual personally possessed the weapon.

⁶ *United States v. Booker*, 543 U.S. 220 (2005) was decided on January 12, 2005.

⁷ "Early Disposition Program" (or EDP) departures are departures where the government sought a sentence below the guideline range because the defendant participated in the government's Early Disposition Program, through which cases are resolved in an expedited manner. See USSG §5K3.1.
