¹ In some cases, a state offense classified under state law as a misdemeanor (e.g., in Iowa, Massachusetts, and Michigan) is considered a felony in determining "career offender" status. For more information, see USSG §4B1.1.

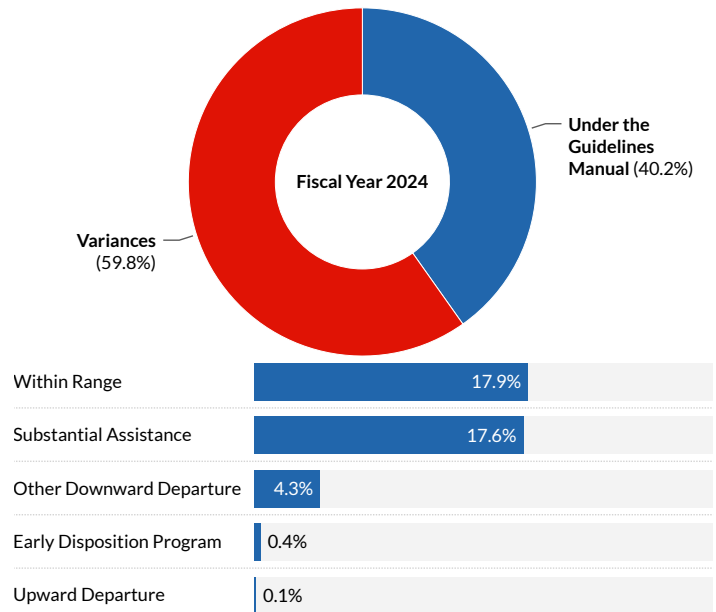

² Cases with incomplete sentencing information were excluded from the analysis.

³ Cases missing Ch. 2 guideline data and cases in which §4B1.1(c) applied were excluded for this part of the analysis. Cases where both §4B1.1 and §4B1.4 (Armed Career Criminal) applied were assigned to the provision with the higher offense level.

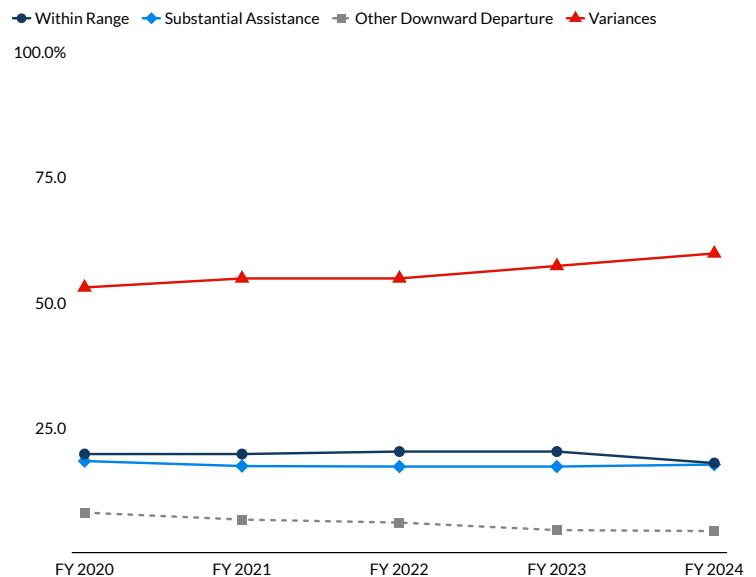

⁴ "Early Disposition Program" (or EDP) departures are departures where the government sought a sentence below the guideline range because the defendant participated in the government's Early Disposition Program, through which cases are resolved in an expedited manner. See USSG §5K3.1.
