Counterfeiting Offenses¹

Top Five Districts Counterfeiting Offenders FY 2017

Middle District of Florida (N=16)
Central District of California (N=15)
Southern District of Florida (N=15)
District of South Carolina (N=14)
Northern District of Illinois (N=11)

In fiscal year 2017, there were 238 counterfeiting offenders, who accounted for 0.4% of all offenders sentenced under the guidelines.² The number of counterfeiting offenders has decreased during the last five years.

Offender and Offense Characteristics

- In fiscal year 2017, the majority of counterfeiting offenders were men (81.9%).
- White offenders accounted for the largest group (39.7%) of counterfeiting offenders followed by Black (35.4%), Hispanic (20.3%), and Other Races (4.6%).
- The average age of these offenders at sentencing was 34 years.
- The majority of all counterfeiting offenders were United States citizens (86.6%).
- The most common Criminal History Category for counterfeiting offenders was Category I (30.3%). The proportion of these offenders in other Criminal History Categories was as follows:
 - ◆ 11.8% were in Category II;
 - ◆ 19.3% were in Category III;
 - ◆ 10.5% were in Category IV;
 - ◆ 11.8% were in Category V; and
 - ◆ 16.4% were in Category VI.
- The median face value of counterfeit items for these offenses was \$5,060.³
 - ◆ 84.3% of counterfeiting offenses involved items with a face value of \$40,000 or less.
 - ◆ 55.0% of counterfeiting offenses involved items with a face value of \$6,500 or less.
- Sentences for counterfeiting offenders were increased for:
 - ◆ 55.0% of offenders for manufacturing or producing counterfeit obligations or possessing counterfeiting paper, altered currency paper, or a counterfeit deterrent;
 - ◆ 11.8% of offenders for committing any part of the offense outside of the United States;
 - ◆ 5.9% of offenders for having a leadership or supervisory role in the offense;
 - ◆ 2.5% of offenders for possessing a firearm or other dangerous weapon in connection with the offense; and
 - ◆ 0.8% of offenders for obstructing or impeding the administration of justice.
- Sentences for counterfeiting offenders were decreased for:
 - ◆ 5.0% of offenders because they were a minor or minimal participant in the offense.

¹ Counterfeiting offenses include cases with complete guideline application information in which the offender was sentenced under USSG §2B5.1 (Offenses Involving Counterfeit Bearer Obligations of the United States) using a *Guidelines Manual* in effect on November 1, 2001 or later.

² Of the 66,873 offenders sentenced in fiscal year 2017, 4,956 were excluded from this analysis due to incomplete guideline application information.

³ The Loss Table was amended effective November 1, 2015.

Quick Facts

Counterfeiting Offenses

Punishment

- The majority of counterfeiting offenders were sentenced to imprisonment (88.2%).
- The average sentence length for counterfeiting offenders was 16 months.

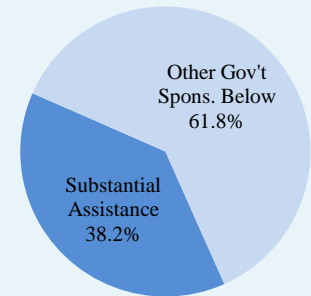

Sentences Relative to the Guideline Range
